PRESIDENT'S ADDENDUM.

Ladies,

As President of B.W.H.A. during the 1965 Season, I think it is fitting that my addendum should be one of thanks to the many helpers who enabled your Association to function so smoothly during the very busy season.

First I would like to thank the helpers who were responsible for the erection of tents, flags and seating for our three big Hockey days-- "Opening Day", "Brisbane v S. W. Pacific", and Brisbane v Malaysia".

Our Social Secretary and her small band of helpers were ever ready to serve Afternoon Tea or Supper, sometimes under great difficulties, especially when one has to carry all food from cars parked blocks away.

Once again, our loyal workers in the Drink Van did a magnificent job, as did the helpers in the Canteen. These people do not see a game of hockey, yet they come out to Downey Park each week to raise funds to assist hockey players.

To the many supporters who willingly assisted the association by billeting an American girl, a Malaysian girl, or one of our own Combined Country Team girls our thanks are due. Without this help we would have been at a loss to entertain our visitors.

These are but a few of our helpers. I could not possibly name all. To those who have helped, please accept our thanks. We look forward to having your support again.

In conclusion, I would like to thank the Officials and Executive Members who did a grand job during 1965.

Best Wishes for a happy 1966 Season.

MARY I. JOSIFFE.

President.

SECRETARY'S REPORT.

Ladies,

It is with pleasure that I submit to you the Thirty-second Annual Report of the activities of B.W.H.A. This past season, I feel, will go down in our Association history as one of high pressure organisation. It might have ended in utter chaos except for the fact that everyone worked extremely well, thus making the season a very successful one.

OPENING DAY. A different idea was tried and found successful this season, Opening Day not being the first playing day. This allowed time for teams to become properly organised and outfitted, the first grading matches having been played on 3rd and 10th April and Opening Day on 24th April.

The Deputy Mayor, Mr. N. Buchan, declared the season open after a spectacular March Past led by the Police Pipe Band. A Miss Hockey competition was held in conjunction with this. Afternoon Tea was served.

MEMBERSHIP AND PREMIERSHIPS. We welcomed two new clubs this season -- Y.W.C.A. and Mitchelton, and though we lost Bulimba, we had a team strength of 42 as follows :-

5 Teams.	4 Teams.	3 Teams.	2 Teams.	1 Team.
Valley.	Mets.	Ascot.	Rebels.	Peninsula.
B.S.H.S.	Taxation.	St Andrews.	University.	Y.W.C.A.
	Kelvin Grove T. C.	East's.	Ashgrove Methodists.	Mitchelton.
			Kedron Park T. C.	

After the playing of Semi-finals and Finals, the following teams are to be congratulated on their premiership wins:-

A GRADE	VALLEY 1
A1 GRADE	REBELS 1
A RESERVE	KEDRON 1
B GRADE	B.S.H.S. 1.
C GRADE	ST ANDREWS 3.
C1 GRADE.	Y.W.C.A.
D GRADE,	B.S.H.S. 4

It was pleasing to see these Premierships divided among so many clubs.

MEETINGS. Our Annual / General Meeting was held at the National Council of Women Chambers, Ann Street, on March 16th.

Six General and six Executive Meetings were held during the season, while special joint meetings of B.W.H.A. and Q.W.H.A. Executives were held to organise the visits of Pacific S. W. and Malaysia.

Some clubs are still very lax in their attendance of Meetings and because of this they miss their chances to add their ideas to the running of B.W.H.A.

SUB-COMMITTEES. These committees - Executive, Grounds, Fixtures, and Selection, functioned very efficiently and are deserving of the thanks of every member of the Association. Our Social Secretary and her helpers this season had a really mammoth task, coping not only with the regular canteen work, but also with the visits of the international teams.

SOCIAL GAMES. Lower Grade players continue to reap the benefits of the financial arrangements of the association. As can be seen from the Record Secretary's Report, a large number of girls had the opportunity of inter-city competition. This chance for all players, I feel, makes for a much more harmonious Association.

STATE CHAMPIONSHIPS. On Queen's Birthday Weekend, Miss B. Watson flew with three Brisbane teams to Mackay, to participate in the State Championships. All teams acquitted themselves very well, Brisbane being victorious once more. Many thanks are due to Miss Watson for a job well done.

STATE TEAM. From the State Championships, the following girls were selected to represent Queensland at the Australian Championships in Melbourne ---- H. Scraggs (Captain), D. Hoffman (V.Capt.), K. Kindervarter, M. Spice, D. McBryde, D. vonNida, E. Ginn, B. Kelly, M. Mills, while Mrs Josiffe was Manageress. These girls acquitted themselves very well, and we are very proud of the fine impression they created.

Our congratulations are extended to Kay Kindervarter on her Australian Selection and to Heather Scraggs on her Captaincy of the State Team. D. McBryde was also included in the Australian University Team.

SCHOOLGIRLS TOURNAMENT. Four teams, in the care of Mrs Black and Mrs McDougall competed in Cairns. Our girls, though beaten in the final, did well, both on and off the field. The trip was also a great touring success, due to the organisation of Mrs Langan.

INTERNATIONAL VISITORS. Our Association was very fortunate in being able to entertain teams from the Pacific S-W of U.S.A., and from Malaysia. Our girls defeated U.S.A. 1-0 and drew 1-1 with Malaysia, in two very thrilling games. It was also very stimulating to exchange views with these girls, thus gaining an insight into the ways of other National Associations. During the Malaysian visit, we also were hostess to girls of the Q'land Country Team, whose game against Malaysia was televised. Mrs Robinson was hostess at an evening function to entertain U.S.A. and Mrs Brown did a mammoth job in catering for a supper to entertain Malaysia. Our thanks are extended to these ladies.

COACHING AND TRAINING. Once more, Mrs Robinson and Miss Scraggs gave much of their valuable time to ensuring that Brisbane girls were among the fittest in the State. This phase of hockey is extremely important, because condition affects play so much that, no matter how much stickwork and hockey brains a girl has, she will be very mediocre if she has to use her brain-power to worry about how exhausted she feels. It would thus be strongly recommended that girls avail themselves more fully of this Thursday night opportunity.

We also thank Mr H. S. Josiffe for his help in coaching our Representative teams.

Q.W.A.S.C. Once again, this fine body of hard workers, headed by Mrs Paulson, has helped to improve facilities at Downey Park, providing among other things, extra lighting and improvements to the Dressing Sheds.

YOUTH WEEK. We were represented, during Youth Week, by Misses D. Hoffman and K. Grealy, at a Garden party at Government House.

PRESENTATIONS. Financial assistance was given to the Brisbane girls in the State Team.

Gifts in appreciation of work done by officials of B.W.H.A. were made at the conclusion of the Season, at a function at the home of Mrs Robinson.

During the afternoon of the Pacific S.W. game, a collection was organised by Mesdames Smith and Anstey, to help sponsor Bernadette McGarry in the Xavier Home for Crippled Children's "Queen of Smiles" competition.

Cheques were presented to Mr Spiers for his help with oil for marking the fields, and to the Police Pipe Band and the Greenslopes Fife Band who supplied the music for our March Past.

CANTEEN. Mrs Crunkhorn, ably assisted by Mrs Topham, did a marvellous job of the teas every Saturday afternoon, while Miss Watson, in her part of the Canteen, handled time-keeping to the split second, as well as all the day's records and miriads of inquiries.

PUBLICITY. We are again indebted to Mrs Robinson for the fine coverage our games receive, and also for organising the T.V. games. Miss Watson was her capable assistant this season and our thanks go to you both.

EQUIPMENT. Miss Otto and Miss Whittaker really kept an 'eagle eye' on our growing list of equipment this season. A little more consideration from teams, in bringing in flags after the last games would lighten the burden of these willing workers.

Our Association purchased a new set of red tunics and our thanks go to Mrs Moore for the work she put into them.

UMPIRES. Once more, our Convenor had trouble finding enough umpires to cover all games. Our thanks to those who carried the load of this work, and to Mrs Langan for organising this phase of B.W.H.A.

FINANCE. Mrs McDougall once more kept our financial situation in excellent order. We also extend our thanks to our Hon. Auditor, Mr V. Crunkhorn.

RECORDS. Thanks are due to our Records Secretary, Mrs Grealy who, because of careless filling in of cards by teams, often had quite a job compiling records.

TOURS. Mrs Langan continues to make our away trips a wonderful experience, and really does a magnificent job organising all trips and visits.

ACKNOWLEDGEMENTS. TO.

Our Patroness, Lady Groom, for her interest in B.W.H.A.

Our Vice Patronesses for their active interest in all aspects of our Association.

Our President, Mrs Josiffe, for her calm and diplomatic approach to the many problems associated with running a large Association.

Our Vice-Presidents for their support at all times.

The Q.W.A.S.C. for their continued interest in improving facilities at Downey Park. The St. John's Ambulance for their attendance at all games.

My assistant secretary, Mrs B. Fox, who did my work as well as hers at times during the season. This was very much appreciated, Bev.

All who donated to the funds of our Association.

All those gentlemen who were kind enough to help us along.

Those people who kindly billeted our American and Malaysian guests for us.

Our thanks go also to the many people, not already mentioned, who have such a lot to do with the success of a season's activities.

ENGAGEMENTS, WEDDINGS, BIRTHS. Our congratulations to those who experienced one of these happy events this year.

CONDOLENCES. Our heartfelt sympathy goes out to those who suffered a bereavement this past year.

May the coming season bring much happiness and success to you all.

Sincerely,

Dell Parkyn.

--- Hon. Sec.

TOURS SECRETARY'S REPORT.

Ladies,

The Annual at home was held over the May Weekend but did not prove as successful as usual. Brisbane also played the Pacific South-West of U.S.A. and Malaysia.

Visits were made to Ipswich, Nambour, and Tweed, and these were very strongly supported. Nambour had to be postponed for a week owing to bad weather but this necessitated few alterations to the original teams named.

I do feel that these trips are necessary as they bring players of the various clubs together and also give every player in the Association a chance of playing against a country team. We must remember that the players who will never make the top (which includes some playing in A Grade) and those who are relatively new to the Association are still a vital and essential part of our Association.

Unfortunately, it is difficult to arrange really good competition for the Brisbane I team outside Tweed.

The State Championships saw three teams travel by air to Mackay and despite financial assistance from the Association, the cost to the players was quite considerable. This year's Championships are scheduled for Bundaberg so that time and travel will present no difficulty. Interstate is set down for Sydney from August 22nd to 27th. Added interest this year will be the selection of the Australian Team to take part in the International Tournament in Germany in 1967. I am sure you all hope to see Brisbane represented in that team.

Kath Langan,

--- Tours Secretary.

UMPIRES REPORT.

Ladies,

Once again I can report that most Clubs honoured their obligations in respect of umpires listed each week.

However, the Association is still faced with a shortage of badged umpires. During the last season, Clubs were asked for the names of those desiring tests but few were submitted, and quite often when an umpire was listed for testing she was not available. Again, lectures were arranged but no one attended. In respect of lectures, I feel that perhaps the individual feels freer to ask questions amongst her own team-mates than in an Association group. Last season I did take three Clubs privately and each had a good attendance and some interesting discussions took place. I will readily lecture any Club but would appreciate early applications so that I may fit lectures in with my other commitments.

To those who would wish to try for higher honours I recommend that you umpire every Saturday. Actual umpiring is the best teacher. You will make mistakes, problems will arise but make a note of these after each game and then bring them along to me. Discussion will help iron out such a lot. You may even query a higher umpire's decision during a game - you must accept that during the match but come along later and talk it over, but do remember that the umpire on the spot, concentrating on the game and applying the advantage rule will most probably be right. No umpire is perfect but I feel sure all our badged umpires will readily assist you if approached in the right spirit. There is no short cut to higher grade honours, it means years of umpiring to reach the top. Remember umpiring is an integral part of your sport, you could not play without umpires and the better the umpires the more enjoyable the game. Then again if you umpire you must get a better insight into the rules, you will wonder why a player continually fouls or gets offside and this should make an impression on your own play.

The 1965 All Australia Theory Examination saw 106 candidates sit (one less than last year) but again over half were from the Teachers' Colleges. Passes dropped slightly despite a relatively easy paper.

The Club summary is as follows, full results appear at the end of the report -

Club.	Candidates.	A	B	C	Fail.
Kelvin Grove T. C.	39	1	13	12	13.
St. Andrews.	14	-	5	8	1.

SOCIAL SECRETARY'S REPORT.

Ladies,

It is with much pleasure I give this review of our social activities for the 1965 season.

After the Association Meeting (Annual) in March, supper was served to those who were present.

As an experiment in 1965, the official opening day afternoon tea was not held till three weeks after the first day of hockey and I really feel this change was much appreciated by various officials, as the usual harassing worries of opening day and afternoon tea were passed and they could afford some time for guests and visitors.

The May day weekend saw us entertaining teams from Tweed, Ipswich, Nambour and Gympie. We were pleased to have these visitors and trust they enjoyed themselves.

Of course, 1965 will long be remembered for the visits of the Pacific South West of U.S.A. and Malaysian teams. The American girls came in July, and the Malaysians in August. On both occasions, the visitors and guests were entertained to afternoon tea, which was served in an area by the side of the playing fields. This innovation was much appreciated by everyone, because the games could be followed while afternoon tea was being served. The Park looked at its colourful best with various national flags and bunting in evidence. Clubs responded very well to various requests and on behalf of the Association, I would like to extend our grateful thanks. This help demonstrates once more - many hands made light work.

Lastly, I would like to say thank you to Association Officials and wish the B.W.H.A. all the best for 1966.

Fay E. Grunkhorn.
--- Social Secretary.

SCHOOLGIRLS' REPORT.

Ladies,

Four teams of Brisbane Secondary Schoolgirls journeyed by rail last August to take part in the State Secondary Schoolgirl Hockey Championship. Mesdames J. Black and E. McDougall were Managers, assisted by Misses M. McAllister and L. Arnold.

The majority of players selected were members of the Brisbane Association and they were at all times a credit both on and off the field.

Brisbane I lost the A Grade championship to Cairns I and unfortunately the other three teams were far below Brisbane's usual standard.

Players named in the best 14 were - Kit Gorrie (B.S.H.S.), Val Worthington (Tax), Helen Paton (B.S.H.S.) and Carol Webster (Ascot).

Val Worthington was also awarded the best and fairest trophy.

Kath Langson.

Congratulations to all Teams, Minor and Grand. It is interesting to have a look at the results and averages, particularly if one is coaching a particular team. For sheer tenacity one must commend the team from Mitchelton in their first year of the game. I watched one game where the score was thirteen - one, but that one goal proved sufficient incentive to the team to keep the match going until the final bell.

Valley V, comprising the very young, eventually reached the semi-final and gave of their best in a manner which could be copied by the top grades. As Primary Schoolgirls' hockey has folded up, it would appear the only hope of holding these young players is to incorporate them in the Senior fixtures. No move has been made towards forming a Junior B Branch within the Association, although I feel Club leaders should consider this possibility - very seriously. It is futile putting a basic minimum age on players when there is no other category in which they can play. By doing this, the Association loses potential players and many young girls are unable to enter the game. We must either welcome them or, if they can't be placed in Senior ranks, provide a separate channel for their youthful participation. I think it is generally conceded that a fair percentage of our capable senior and interstate members have graduated from Primary school ranks, at which stage, given individual and patient assistance, players can absorb the basic skills of the game.

INTER-CITY.

Numerous trips were made and hospitality on our home ground enjoyed. Team representatives are listed hereunder :-

COMMENT.

As I expect to hand over the position of Records Secretary to a
younger, perhaps more enthusiastic member this season, I would take this
opportunity of thanking Club executives for their assistance over the
past six years. To B.W.H.A., I have enjoyed the work, and benefited from
the experience gained, and their friendly comradeship. To the younger
players now feeling their way into Club executive positions, please keep
your interest. Apart from personal satisfaction in doing a job for your
game, the experience gained in administration often stands by one in
business life. Best wishes to you all.

Eileen Grealy,

-- Records, 1965.
