

## U15 Southern Cross Teams Warwick Hockey Association, August 13, 2023

It is important to note the following;

- The Southern Cross is considered a part of the overall selection trial process, and movement will still definitely occur after the one-day tournament, before the State Championships Teams are announced.
- The Selection Panel have named **additional players** in the Southern Cross teams (for further selection opportunity) that *will* be less than the final teams announced. Players need to be aware that although they may be selected in a Southern Cross team, this is not an automatic selection into a State Championship team.
  - A list of shadows will accompany the State Championship team announcement.
- Refer to the **BWHA Representative Player Selection Procedure** document (emailed weekly with trials lists and located on our website) for further guidance on selections.
