PRESIDENT'S REPORT 1989

Another successful season has drawn to a close and the hockey community has much to be proud of in 1989. The Gold Medal in Seoul had unexpected benefits for women's hockey and brought us into the limelight. Sponsorship has been the highlight of the year for me. A lot of small sponsorships have increased our professionalism and brought us more media attention. Both of these will increase our sport's strength.

Leo Muller have supported us in everything we have asked, from supplying the Under 18 Championship programme to providing our new representative uniforms for next year. Leo Muller supports your sport.

Ricoh have joined women's hockey this year with a bright new concept of the Ricoh Medal. This year's able winner was Helen Cook from Easts - a most popular choice. The Ricoh photocopier in B.W.H.A.'s office is a marvellous aid to our efficiency. We also thank Schweppe for initiating the President's XI as a highlight of the President's Cup, East-West for their profitable raffle prize, Rob Milne for his investment in the Juniors' shop on Downey Park for the service of our players, Chakavarti for the fixture book and Kedron Park Hotel for the Summer Comp. Trophy. So much help from so many sources can only make the game a more professionally-run one and in the long term a cheaper one.

Welcome to Jenny Heron as the 'new' secretary and June Ballantyne as the 'new' treasurer (after a year's hard work they probably don't feel too new). And welcome to your new President, Jenny Tidey, who will be a very capable replacement. My contribution is not finished but I won't have the amount of time necessary next year to devote to that job. Jenny will have a highly efficient crew to support her as they have me.

Ros Julien

SECRETARY'S REPORT

At last year's A.G.M. we welcomed the new officials to our association. Unfortunately not all the positions were filled. Joyce Proctor supplied a lovely supper to all who attended.

The Oceanic Under 21 Junior World Cup Qualifying Tournament was held at QE11 from the 24th to 27th November. Australia lost to New Zealand eliminating them from competing at Ottawa. New Zealand subsequently finished in 9th position.

At the beginning of December the association invited its band of workers to dinner at "Buzzards" Restaurant to thank them for all the time and effort put in during the year. A small list of Christmas cards was sent. Thanks to Logan, Commercial, Redcliffe and Valley for supplying girls to work as usherettes at the Lord Mayors' Charity Committee "Christmas in Storyland".

In January we nominated Faye Wastell, Tracey Belbin and Tammy Cole for Australia Day Awards presented by the Brisbane City Council. Faye and Tracey were both successful. Also Elaine Green was congratulated for being presented with an award.

The all day meeting of the Management Committee was very productive. Arrangements for fixtures at QE11 on alternating Saturday and Sunday's was set down.

Under 18 training started on Field 13 with a good attendance, resulting in a hard task for selectors trying to pick 3 teams from the squad named plus the new players relocating during the off-season.

Affiliations closed in March with 23 clubs and 78 teams which resulted in 9 divisions plus a Veterans division. Nominations were called, for rep teams to attend the State Championships in June. The South East Qld. Championship was cancelled due to little or no interest.

On March the 18th and 19th a working bee was organised to get the park ready for the beginning of the season. It was reasonably well attended.

Council and Management meetings were well under way by now. Many thanks to all delegates who attended.

The first fixture day of the season was thrown into turmoil because of torrential rain. Registrations and nomination forms were severely hindered because of this. Fixtures were cancelled at Downey Park but continued at QE11 despite dreadful conditions.

April saw the first meeting of the Under 18 Committee to organise the Championship. Many thanks to the Grounds Committee and all other helpers who toiled to get ready. Despite rain and fields being flooded in the days prior, the championship were ahead in perfect sunshine.

Into May and the wet weather continued - resulting in games being transferred to Sundays and mid-week at QE11.

BWHA acquired a 6 month lease for Rasey Park for the use of Minkey players. Leads are being followed as to future re-leasing.

The Queen's Birthday week-end saw the staging of the State Titles at Rockhampton. No fixtures were played at Downey Park. Brisbane acquitted itself very well with Brisbane 1 being State Champions, Brisbane 2 finished 3rd and Brisbane 3 finishing 5th. The Veterans won their division. Sue McLatchey was named "Player of the Championship". Congratulations to all players, umpires, coaches and managers named in the Open Squad, Under 21 and Veterans teams.

QWHA appointed Miss Janne Ellis (Life Member of BWA and Past President BWA) to the position of Executive Director on the 3rd July. A position in which we know Janne will strive to achieve the best for Womens' Hockey in this state.

In July we finally played the President's Cup games, official guests saw some fine hockey, the 1st division result being decided upon after extra time. The best and fairest player from each division was selected, and these players combined to form the "President's Eleven". Thanks to our sponsor Schweppes for their support of this new concept now to become an annual event.

The association called for nominations for the 1990 Under 18 squad. Due to problems experienced because of split fixtures and a large number of Junior players nominating, the naming of a squad has been delayed until after the first training date on Sunday 4.2.90.

This year we saw 3 school teams from the USA and Canada touring Australia, resulting in our Brisbane Under 17 team playing them on the turf. Thanks to all families who helped with the billets.

On the 19th August the last fixture day at Downey Park, presentation of Minor Premiership trophies was held in the clubhouse. Life Members and donors were invited to present their trophies. Tracey Belbin again won the "Pam Glossop" Trophy for highest representative honours.

The semis and finals were played at both Downey Park and QE11. Grand Finals for divisions 4 - 9 and Veterans were at Downey Park on Saturday 9th September. In conjunction with BWA the divisions 3-1 were played at QE11 on Sunday 10th September commencing at 9.00 a.m. The three finals were good games and the Division 1 final was won by St Andrews and the 'Shirley Higgins Memorial Trophy' was presented by Shirley's daughter Jan Salan. Congratulations to all teams who participated in grand finals.

We ran a Art Union this year with a holiday donated by East-West Airlines as the prize. This was a necessary supplement to our sagging bar takings.

Nominations closed for administrative positions with some positions still needing nominees. Hopefully they will be filled before the 1990 season.

During the season a Talent Camp was held in Townsville, congratulations to C. Bartlett, T. Cole, R. Collins, M. Goodwin, P. Schubert and T. Turpie who were invited to attend. Also a goalkeeping clinic was held in Brisbane with girls invited from all over the state - J. Hall and J. Hogan from Brisbane attended.

The inaugural "Ricoh Player of the Year" Award Dinner was held at The Melbourne Hotel. Our new major sponsor Ricoh who has helped elevate Women's Hockey to the status it deserves was represented by Mr. Arch Fraser. A touch of suspense to the final countdown saw a very deserving Helen Cook from Easts named. Mr. Fraser presented Helen with her prizes and reaffirmed his company's commitment for next year. Hopefully next year will be bigger and better with more help from the electronic media. The printed media's coverage of the night was excellent.

The Under 21 State team attended the Championships in Sydney via bus and train travel. The team played well and finished 2nd after extra time. Congratulations to Kelly Thomas (Ascot) who has been included in the AIS team to tour Europe.

The Veterans Championship which was scheduled to be played in Perth was cancelled at the last moment due to problems with travel arrangements.

Congratulations to Jan Hadfield and Michelle Arnold who were selected to umpire the tests between Australia and New Zealand.

During October QWHA conducted a coaching course at QE11, this was very well attended.

I would like to mention that BWA was happy to assist players, managers, coaches and umpires who represented our centre.

We sincerely thank all our helpers during the season, be it large or small.

To our Patroness, Lord Mayor Sallyanne Atkinson and our Vice Presidents thank you for your continued support.

To June Ballantyne, our Treasurer who has had a big task collecting monies for Downey Park and QE11. Thanks for all your help and time during the season.

Mel Taylor - Minute Secretary - for her accuracy in keeping the minutes up to date.

To the hard working members of the Management. Thank you for your time and expertise in all areas during the year.

Joyce Proctor - Social Secretary - thank you for co-ordinating the Art Union and for all the "goodies" at the many official functions held at the clubhouse.

Elaine Green for her accurate Match Secretary records and her bag of tricks as First Aid Officer, thank you Elaine.

To Lyn Thomas our Umpires Steward who's list for fixtures and umpires is always spot on. The job nobody else wants. Thanks Lyn.

To our delegates June Snarski and Ros Julien who attended Sports Council and QWHA meetings for keeping us up to date with relevant information.

Heather Scraggs and her band of workers on the Umpires Board, thank you for the testing, assisting and encouraging of all umpires. Congratulations to those who upgraded their umpiring this year.

The Fixture and Grading Committee, a very hard and thankless task. Hopefully the upsets at the beginning of the season worked out for the best. Thanks to Lyn, Sue and Shirley.

To the one committee that doesn't have a heavy workload, the Judiciary Committee thank you for being available (if needed).

The Ground Committee the hardest working section of the association. Thank you to Keith Nix and all the people on his phone list who were always on call to keep the maintenance up. Also thanks to Keith and Jenny Tidey for all their help liaising with Management.

Junior Sub-Association - another very successful year. A special thank you to Ronda Nix who has retired this year as Junior President.

A big thank you to Ian Honour and Jacki Nix who have manned QE11 whenever fixtures were played.

To all our sponsors - Ricoh, Schwepped, Rob Muller (Leo Muller), East-West Airlines and other numerous people who have donated or supported us this year thanks very much.

There are a lot of people who work for the association who perform the many miscellaneous but time consuming chores which make our association run so smoothly - to them thank-you.

To Ros Julien, who is retiring this year - after 2 years as our President, for all her help and support during this very busy and time consuming year, a heartfelt thank you.

Jenny Heron,
Secretary.

Hon. Treasurer

Jack Manders
Hon. Auditor

CLUBHOUSE COMMITTEE

The House Committee held a meeting at the beginning of the year and again maintained the tradition of providing a service to the players. However, for next season maybe consideration could be given for a few more members to come on this committee.

The year has been relatively quiet in that not as many people are staying around and using the clubhouse facilities (which is reflected in the bar takings). This could be due to the present state of the economy but to a larger extent due to the staging of the A grade fixtures at QE11. The few A grade games held at Downey Park have contributed to more people using our clubhouse.

Vandals proved to be a menace again during the season but with more security measures in place, hopefully this problem has been rectified.

My thanks to Denise Byrne, George Wastell and Ken Hawkins for their assistance in the bar. Also thanks to Joyce Proctor for providing snacks on the couple of days we were able to do so.

May I take this opportunity to wish you all a Happy Christmas and great hockey in the new year.

Chris Dawson
Acting Convenor, Clubhouse Committee.

CANTEEN REPORT

Once again we have had a very successful season in the canteen.

This year, as in the previous 3 years, we have staffed our canteen with permanent workers, allowing our players to enjoy this facility without the onerous job at rostered duty.

Our sincere thanks to Kathy & Dave Keanelly, who have very ably taken over the management at the canteen this year, and also to their band of workers, we say a very big thank-you.

Lastly, thanks to all the players and supporters who have made this a very prosperous season.

Natalie A. McAully
Convenor.

CONSTITUTION COMMITTEE REPORT

1989 has been a fairly quiet season for the Constitution Committee which has met only as required to provide advice on matters raised and wordings for proposed amendments.

By-Laws 4 and 5, coverings registrations and gradings, continue to provide some concern to both Clubs and Association officials.

Four minor amendments to By-Law 4 were approved at the Annual General Meeting held in October 1988. A major change to By-law 5 that granted, with respect to grading, an additional right to number one teams of clubs with more than three teams was ratified at a Special General Meeting held on 11 July 1989.

Three more proposed amendments, one to By-Law 4 and two to By-Law 5, will be considered at the 1989 Annual General Meeting.

The Committee has been working towards compiling a file of the Constitution and By-Laws on computer disc that would allow an updated copy of the Constitution and By-Laws to be available to Clubs in 1990.

I should like to thank the members of my Committee for their co-operation.

Mike Thomas
Convenor

FIXTURE/GRADING COMMITTEE REPORT

The 1989 season commenced with major changes in Club registrations, the downgrading of several number one teams and a resulting cloud of threatened civil action. Despite the early problems, the season has progressed well with final results perhaps vindicating the potentially controversial recommendations made by the Committee.

Initially, 79 teams affiliated, with 23 (almost 30%) of these requesting upgrading. This situation made the grading of teams a difficult proposition particularly when some Clubs provided little information to support their requests. One team withdrew prior to the commencement of fixtures. Byes were necessary in Division 9 and in the Veterans Division.

Midway through the first round, Pine Rivers requested to be downgraded from Division 4. Following considerable consultation this request was granted. South West United number three team agreed to be promoted from Division 5 to fill the vacancy created.

The inclement weather in the early part of the season forced numerous re-schedulings of fixtures including the Presidents' Cup Finals. Mid-week make-up fixtures were held at QEII and Redcliffe for the first time.

The holding of semi-finals and finals series matches at both QEII and Downey Park provided some tight scheduling problems.

I should like to thank the members of my Committee for their efforts in what has been a somewhat difficult season.

Lyn Thomas
Convenor

UMPIRES STEWARDS REPORT

As in previous years, the 1989 season has posed many problems in the allocation of umpires. With six top division games at QEII on most weekends, our umpiring strength was stretched to the limit. However, with the co-operation of Clubs, most fixtures commenced on time and were well controlled.

Of the 1696 umpires allocated, there were 13 non-arrivals (0.8%) and 23 late fines (1.4%). The high substitution rate of umpires (29%) continues to cause concern. Clubs should be particularly aware of the necessity to minimize substitutions and, if necessary, to substitute umpires of equivalent standard.

The brunt of umpiring responsibilities has again fallen upon the shoulders of badged player-umpires and Club nominees. These people, along with our unfortunately too few non-playing umpires, are to be thanked for their dedication.

My thanks are also given to the Umpires Convenor and the Umpires Board for their co-operation during the season.

Lyn Thomas
Umpires Steward

GROUNDS COMMITTEE REPORT

1989 has been a very busy year for the Grounds Committee. As well as the normal task of presenting the fields to the best possible standard that finances permit for club use, we were given the additional job of presenting six top class full length fields, preferably on the clubhouse side of the drain, and in sight of the control-box, for the Q.W.H.A. Under 18 State Championships for the May Day long week-end. The weather caused us quite a few problems early in the season, and I would like to thank all members of the Grounds Committee for the way they "kept on keeping on" through a very arduous season.

This year we spent approximately \$16 000 in field improvements and maintenance. The value of the volunteer labour to accomplish this was worth at least double this amount, and I would like to thank not only the Grounds Committee, but the Junior fathers who put themselves on the roster to assist us. These volunteers (or Nixie's Victims as they became known) were a credit to their clubs, and always willing to assist when called upon.

Major works carried out for 1989 included

1. Lifting turf, filling, and returfing to lift and level the corner of field 7 and to extend it back towards Bretts, and also to fill in depressions on 7 and 8. (January).
2. Levelling and regrassing the western side of field 11. Relocating chairs and bins back from field.
3. Building of a surface drain on the western side of field 12 to remove surface water.
4. Manufacturing of two hose reel trolleys on mobile bases to facilitate the setting out and collection of the sprinkler hoses.
5. Purchase of four new nets to enable old ones to be used for modified hockey. Most nets now have timber backboards.
6. Planning and marking five minkey and two modified fields at Rasey Park, and maintaining the markings for the season.
7. Relocating and marking all Downey Park fields at the start of the season, and maintaining the markings for the season.
8. Laying down a "hardstand" area for the nets to be stored in the off season, to hopefully prevent rusting of frames and the damage from tall grass and weeds growing through the nets.
9. Extension of the underground irrigation system for another 300 metres, providing another nine sprinkler points, which allows all fields on the clubhouse side of the drain to be watered, as well as part of field 10.
10. Tree pruning (with council assistance) to improve the view of the grounds.
11. Filling in of depressions on sidelines and circles from repeated marking over the years, during the off season.
12. Regular watering, and mowing of fields, particularly circles, in addition to B.C.C. mowing was carried out.

Matters which must be attended to in 1990 include repairs to the old sprinkler system, an investigation into the best way to present field 1 in an A Grade condition, and control of the lucerne clover, bindii, and weeds on the park. A quote for \$1300 to spray the park was obtained towards the end of the season. It was proposed that softball contribute half this amount, and hockey the rest. Softball were unable to provide the necessary funds, and as our budget was exhausted, we could not afford the whole amount. However, this will be budgeted for in 1990, and softball approached for their share once more.

I thank the Management Liaison delegate to Grounds Jenny Tidey, for all her support and hard work, and for the way she and Joyce Proctor organised the many smokos and lunches for the crews. I know all our workers appreciated the way we were looked after. I also thank all the members of the Grounds Committee, Noala Gordon, Doug Broadfoot, Sid Holcroft, Harry Smith, Keith Tidey, Laurie Goldsmith, Murray Brown and Denise Roberts for the enormous effort they put into 1989. All of these people have contributed many many hours of hard work for this Committee on a regular basis. Much of what they do is unseen and therefore unknown to most. I am glad to have this opportunity to thank them sincerely for their efforts, and their support.

My thanks go also to the many junior fathers who volunteered for Grounds Roster. Whilst they are too numerous to mention in entirety, I must give particular thanks to the following: Graeme Gardiner, Bellbowrie; Peter Fleming, Norths; Don Evans and Ross Mitchell, St Andrews; Ken Moates, Valley; Ron Winter and Don Richards, Pine Rivers; Ray Potts and Vince Zappala, City United; Alan Minns, Logan; Dom Carbone, Commercial; Barry Donaghey, Ascot; Col Bowman, South West United; and John Gilding and Graham Tunstall, Bulimba.

The club working bees also saw a large turn out of players and club supporters, and I thank them for their work. The Grounds Committee is really an equal opportunity employer, with our players washing, painting, raking, shovelling, and weeding, (though the prickles on field 12 nearly finished some people for the entire season, and Mel Taylor and Maureen Fleming never went near field 7 again after January's effort).

The Grounds Committee is grateful to the Queensland Women's Amateur Sports Council for their interest in our activities and liaison on our behalf with the Brisbane City Council. Particular thanks to Mrs Ruby Robinson, M.B.E., Mrs Pheme McDougall, and Miss June Snarski for their cooperation.

Keith Nix,
Convener.

STATISTICS FOR 1989 SEASON

Winner of Grand Final denoted by asterisk.

SOCIAL SECRETARY'S REPORT

1989 has been quite a busy year, starting with the Under 18 Championships, we supplied morning tea and lunch to the officials of all teams, many thanks to the mothers who helped in the kitchen. We have also provided lunch for all our very hard working people who do the necessary work on the fields. Next was our Art Union, oh what a headache for Jenny Heron and the club executives who groaned everytime I gave them a list of outstanding books, but alls well that ends well, the official from the Justice Department remarked on how well organised we were and everything was finalised properly. The winner was Sharyn Simpson and thankfully she took the trip which was donated by East West Airlines. We made \$3268 from the Art Union and this was put towards our building loan.

Then we once again invited our life members to afternoon tea for President's Cup and finals, I provided the afternoon tea and the invited guests had to do the washing up. I very rarely have to tidy up after these functions.

I would like to thank Jenny Heron , Mel Taylor, Jenny Tidey, Mrs Mac, Mary Hughes, Robbie and Bella for all their help throughout the season. Two of these ladies Bella and Mrs Mac help out every Saturday and are only too happy to do anything that is asked of them. I hope we can count on their help for a long time.

Wishing everyone a prosperous festive season and hope to see you all in 1990.

Joyce Proctor
Social Secretary.

BWHA VETERANS REPORT 1989

Veterans hockey continues to flourish in Brisbane. This year 7 teams contested the premiership. It is to be hoped that another team is formed in 1990 to avoid the bye.

Easts are to be congratulated on their effort in making the playoff for the finals in their first year in the competition.

There are a number of issues which need to be addressed to ensure that Veterans hockey in Brisbane continues to provide the healthy competition, friendship and recreation which I am sure it is designed to do. The most important of these is the attitude of some players to umpires. To ensure that foul play and questioning of umpires does not prevail, it is essential that firm qualified umpires be placed in charge of Veterans games.

It is inevitable that in the next couple of years an over 40 Qld Veterans team will be selected to compete at the Australian Championships. The recommendation from Australia is that all States endeavour to have an over 40 team by 1991. To enable more Brisbane Vets to compete at the State Championships from which the Queensland teams are selected, it is necessary for Brisbane to again approach QWHA with a view to nominating two Veterans teams to compete in State Champs. Depending on nominations, this second team should consist mainly of players in the over 40 age group. I realise there are a number of side issues associated with this. For one, the substantial assistance given by BWHA to rep players would be stretched even further, but couched in terms of the repayment to Brisbane in "kind" by a good many Vets by way of administration, coaching and fostering juniors, it would be money well spent.

Quality nominations were received for the Brisbane team to travel to the State Championships in Rockhampton this year. The team selected was a good one and proved its worth by winning the State Championship. The majority of this team nominated for State selection and were successful. Congratulations to all members of this team who did Brisbane proud by their display of sportsmanship, hockey skill and knowledge.

The competition at the State Championships continues to grow and improve each year.

In closing I would like to congratulate BWHA on another successful year of hockey under sometimes near impossible weather conditions. May you continue to be the most progressive association in Queensland.

ANNETTE DOMBROWSKI

EQUIPMENT LIST

Uniforms

96 No 1 - 48 Skirts
57 No 1 - 59 Shirts (No 38 missing 1985)
(No 21 damaged 1989)

Approx 10 metres of Blue Cotton
Approx 10 metres of Gold cotton

Natalie A. McAully,
Equipment Officer.

UMPIRES REPORT

Hockey at all levels and in all aspects of the game, has begun to develop a more "professional" outlook, with those around us expecting a more "perfect" performance from administrators, players, coaches and umpires alike. This is fine, for certainly we all want the highest standard possible in all areas of our sport, but let us be realistic in our expectations, and remember that developing programmes to gain these higher standards takes time, and cannot happen in one season.

I believe that this year many players and coaches had unrealistic expectations of umpires who were trying to cope with the complexities of officiating on higher level games. This, coupled with a sometimes poor attitude exhibited by some top players when it came their turn to umpire, only made for much frustration by all concerned.

Improvement in all spheres of hockey requires co-operation by all concerned, and I trust all clubs will encourage a greater tolerance towards the learning umpire in future seasons.

The general interpretation of rules throughout the 1989 season was quite sound, due in part to the well-attended usual pre-season discussions held in March for players, umpires and coaches. However, it did become necessary in July to hold a similar meeting for all umpires, firstly to clarify two new rule interpretations issued by F.I.H. in an effort to reduce elements of danger creeping into the game, and secondly to discuss the Umpires Board's concern at the negative attitudes of some Div. 1 players towards umpires and umpiring. This meeting was well attended by all clubs, and as a result of some useful discussion, I believe many problems were clarified. Some suggestions were put forward, and these will be taken into consideration by the Umpires' Board in 1990.

A panel of umpires was again organised in an effort to develop and support a broader base of umpires from all top teams, but unfortunately some clubs did not avail themselves of the opportunity afforded them, and generally, though five quite productive meetings were held during the season, often those concerned had difficulty in attending, due largely to the problem of having to play on the turf immediately after. It was most encouraging to see the gradually re-emerging interest of clubs in having Board members visit to conduct umpiring discussions, and I trust that interest will continue to increase next year. Umpires convenors for all clubs were nominated for the first time this season, and were encouraged to help their own umpires when they officiated each week. Some clubs worked diligently, and others did little to improve their own club's standard. Perhaps the Board can offer more assistance to these convenors in the umpire coaching area earlier in the season in future.

Once again it was encouraging to see so many umpires make themselves available to officiate for Brisbane at the Under 18 Championships in May. I trust that much valuable experience was gained by those who attended. Thanks also to the umpires who accompanied teams to the Senior Championships in June in

Rockhampton, and those younger aspiring umpires who travelled to Tweed for the Under 13's and Mt. Isa for the Under 15's.

The Queensland Umpires' Examination was held again in late July and a total of 139 candidates sat. However, this year the pass level was raised to 60, and further restrictions were placed on gaining a B level pass, with the result that the number of successful candidates was drastically reduced. Only 25 candidates passed, and of these 5 gained A passes, 6 gained B passes, and there were 14 C grade passes. Congratulations to those concerned, whose results appear following this report.

Practical testing and coaching proved difficult once again this season, with all 5 members of the Board having so many commitments in the coaching and playing spheres as well as in umpiring themselves at various levels. However it was found to be more convenient generally for two members to operate at the turf and three at Downey Park each playing day. Though we still need to have the opportunity to observe and coach each umpire more frequently, we felt that we were able to accomplish more with our top umpires this season than in previous years.

This year we have tried to spread the umpiring commitments over more players rather than have our top umpires overworked by officiating each week. This has lowered the overall standard momentarily, but we feel in the seasons to come, as umpires gain confidence, the standard will eventually rise, and more clubs will share the load of providing umpires on Division 1 and 2 matches. Sincere congratulations to all who gained practical badging, and a list may be seen following this report. Special commendation goes to Kym Thomasson and Cheryl Kann, who were successful in being awarded their State A badges, while Kathy Duggan gained her State B. On behalf of the Umpires' Board I wish to thank all umpires for their co-operation and efforts this season, and to urge all those who were not successful to maintain their enthusiasm, in spite of their disappointment.

Brisbane is very fortunate to have in our Association, and on our Umpires' Board, umpires of the calibre of Jan Hadfield, Michele Arnold and Vicky Spice. Vicky has maintained her standard admirably since gaining her Australian badge several years ago, and is a most respected umpire at all levels. Jan and Michelle are to be congratulated yet again this year in being selected as members of the National Panel to umpire at the Senior Championships in Hobart in May, being named No 1 and No 3 respectively in Australia as a result. Both Jan and Michelle were given the honour of each umpiring two test matches between Australia and New Zealand in June, and Jan also was appointed by F.I.H. to officiate at the Champions Trophy held in Frankfurt in September. We are proud of your achievements, ladies! Our special thanks go to Kym Chandler for her efforts during the last two months of the season, and we sincerely congratulate her on gaining her Australian badge at the recent Under 21 Championships in Sydney.

The Umpires are grateful for the support always given to us by B.W.H.A. and we will all wear with pride our new set of shirts recently arrived at the end of this season.

My sincere thanks to all members of my hard working Umpires' Board for their work throughout the season, with appreciation to both Jan Elliott and Mary Hughes for their efforts with the less experienced umpires. A special thanks to Lyn Thomas, who always carries out her unenviable task so admirably, and supports me so well. Thank you all once again, and good umpiring in 1990.

Heather Scraggs
Umpires Convenor.

CLUBHOUSE COMMITTEE

B.W.H.A. JUNIOR SECTION

JUNIOR PRESIDENT'S REPORT

As you will see from the following reports, 1989 has been another busy and successful year for Brisbane Juniors, and I sincerely thank my Junior Committee for all their hard work, dedication, and support. This will be my last report as Junior President, and it with some sadness that I step down. However, I do believe that five years should be a maximum term for positions of this nature, and I feel that the Junior Association will only benefit from some fresh ideas.

In the years I have been Junior President, I have been extremely fortunate in the people I have had on my committees. I have had two secretaries, Vonnie Faulkner and Marian Brown, and three treasurers, Tracey O'Connor, Dell Carbis, and Penny Clarke, all of whom have been loyal and enthusiastic committee members.

This year, Val Hannam, Dell Carbis, Jan Schubert, and June Ballantyne, are also retiring from Juniors. These people have served the Junior Committee long and well, (Val Hannam was Match Secretary before I started as President). I thank them all for their friendship and help over the years, and wish them well for the future.

I have been lucky enough to be associated with the Brisbane Juniors through a period of strong growth and change, and look back with many happy memories and a feeling of some achievement.

This year, for the very first time, we were successful in winning the Southern Cross Cup for the aggregate points over the four divisions. It has been a joke in the Junior Association that I could not retire until we won this trophy. Luckily the players came through for me this year. Minkey and modified moved to Rasey Park under the guidance of Susan Wiemers, and Dell Carbis set up the hockey equipment shop as a service to players and our primary fundraiser. The Umpires Panel (Convener Jan Elliott) introduced uniforms for badged Junior Umpires. These will be worn by all Senior, Intermediate, and Junior badge holders.

There are still many goals for the Junior Association to accomplish. Brisbane still has not won the Under 15 State Championships. Perhaps 1990 in Brisbane will be our year for this. There is also much to be

B.W.H.A. JUNIOR SECTION

accomplished in the area of minkey and modified. The Junior Association does not have sufficient funds for a development programme for this vital area. Perhaps in future the Senior Committee will consider providing a fund for this in their budget

It has been a privilege to serve the Junior Association as President. It is a very satisfying and rewarding experience being involved with the development of juniors, and I hope to continue my interest in the Junior Association in a lesser role in 1990. My best wishes to the incoming committee, and I hope Brisbane Juniors go from strength to strength in the years ahead. My thanks to the Senior Association, all my committee members, and indeed the many people, too numerous to mention individually, who have helped both the Junior Association and myself over the past five years. Finally, my special thanks to my husband Keith, whose interest, cooperation, and forbearance, has made my involvement possible.

Ronda Nix,
Junior President.

B.W.H.A. JUNIOR LONG SERVICE AWARDS

The junior section of the B.W.H.A. was administered by the senior association up until 1977. The Junior Association was formed at a meeting in February, 1978. To recognise outstanding service to the Junior Association, the Committee of 1988 introduced a Long Service Award to be presented, on recommendation from the Junior Management, to those people who have served the Junior Association for not less than ten years. Current recipients of that award are listed below.

Mrs Jenny Tidey	Awarded 1988
Mrs Vonnie Faulkner	Awarded 1988

JUNIOR SECRETARY'S REPORT.

It gives me much pleasure to report on the activities of the Junior section of our Association for the 1989 season. The two things I will remember most, about '89, are the weather and Brisbane winning the Southern Cross Cup for the very first time. The weather was a constant worry, rain threatened nearly every weekend. However, to coin a phrase "all's well that ends well" and 1989 was a very successful season, in spite of the rain.

The 1988 season ended with a very pleasant evening at the Woolshed. Mrs. Vonnice Faulkner and Mrs. Jenny Tidey were presented with their Long Service badges to commemorate ten years of dedicated service to the Junior Association.

The 1989 season commenced with an all day Management meeting on 22nd January, when the programme for the year was mapped out. 10 Management, 6 Special Management and 9 Council Meetings were held during the season. Thank you to all club delegates for their attendance at Council Meetings and for the responsible attitude they displayed in passing on information to their clubs. Your co-operation in this regard was much appreciated.

Sixteen clubs affiliated this year. St. Rita's decided not to play in Association fixtures this year and did not affiliate. There were 60 teams competing in four age groups namely, U/17, U/15, U/13, and U/11. Modified (U/10) consisted of 8 teams. Minkey commenced with 9 teams, increasing to 16, by the end of the season.

Pre-season selection trials were held at O'Grady Park, in March, for U/15 and U/13 Brisbane Representative teams. A squad of twenty six U/15's and a squad of twenty six U/13's were selected. These squads attended a Talent Camp at Q.E.11 from 20th-23rd March. Talent Camp was organised by Julene Grant. Unfortunately, due to business commitments, Julene was only available for one coaching session. The quality of the coaches Julene arranged to deputise for her, was excellent. The squads received coaching in improving individual skills, tactics, tackling, health and fitness, diet, umpiring, injury prevention etc. Thank you Julene for your help again this year and thank you to Greg Richards, Adrian Summerville, Debbie Broadfoot, Barbara Northcott, Sue Williams, Marilyn Chatfield, Kelly Thomas, Kym Thommasson, Sharyn Simpson, Rolene Shepperd, Cathy McAully. A special thank you to Michelle Arnold.

Since the Junior Umpires Panel was formed, a couple of years ago, the standard of umpiring of junior fixtures has improved just so much. This year we welcomed Mrs. Jan Elliott as Convener of our panel. Jan and the other members, Wendy Wales (nee Bliss), Linda Ballantyne and Annette Gray were very interested in all their charges. They helped all the girls wishing to be field tested by watching them umpire and advising them on how to improve their umpiring skills. They were always available to help anyone who needed it. Thanks to the hard work of the Panel, no less than nine badges were awarded on Grand Finals Day. Congratulations to those girls who received their badge. Well done! I hope the girls who missed out this year weren't too disappointed and will try again next year. Thank you Umpires Panel for a job well done. The Convener's report has been included later.

Minkey and Modified Hockey progressed very well thanks to the very capable and enthusiastic Co-ordinator, Susan Weimers. It was not easy for Susan in the first few weeks, teams were scattered over Downey Park, due to the location of the Minkey and Modified fields. Sue coped most efficiently with this situation and made sure that the games ran smoothly. The pressure was relieved when Rasey Park became "home" for Minkey and Modified. Considering, that by the end of the season, there were eight Modified and sixteen minkey teams to supervise each week, Susan deserves a very big thank you for a job very well done. A skills day was arranged at Q.E.11 and was a huge success, the "littlies" thoroughly enjoying their morning on the turf.

Our U/15 Selectors of Mrs. Marilyn Chatfield, Sue McLatchey and Theresa Kuss, together with the U/13 Selectors of Barbara Northcott, Helen Bernardin and Sylvia Everest are to be congratulated on their selection of the Brisbane Representative teams. Selectors do not have an easy task at the best of times and ours sat in the hot sun at O'Grady Park and in the pouring rain at Ipswich to ensure that Brisbane was represented by the best players available. Our success at Southern Cross this year, reflects how well the selectors carried out their responsibilities. Thank you all.

Thank you to our Tours Secretary, Mrs. Jenny Evans, for organising bus trips, flight arrangements and accommodation for our Rep. teams and officials. Jennifer was on hand at Brisbane Airport to help us with our luggage and boarding passes. Thank you Jennifer, your help was much appreciated by Jan Schubert and yours truly.

A vote of thanks to Dell Carbis for her many hours of hard work in the equipment stall. The stall has been a huge success and provided a service, previously lacking, to our hockey players. Dell and her assistant, Jennifer Evans, worked extremely hard, arriving at Downey Park by 7 a.m. loading the equipment onto the trailer and dragging it across to the equipment stall. At the end of the day the procedure was reversed - the equipment loaded back onto the trailer and dragged back to the storeroom and packed away for the next week. Ladies you were terrific! Thank you both for all the work you did. Dell was also the Equipment Officer, another time consuming job, especially when there are teams to be equipped for Southern Cross and Championships - the teams looked terrific Dell - thank you.

Southern Cross Cup - Ipswich 7th May, Brisbane 28th May.

Southern Cross was held on 7th May at the Collegian Fields. It was a very wet day but all games went ahead with the exception of the last two scheduled games. It was decided that these games would be played first thing at the second round of Southern Cross in Brisbane on May 21st. At the end of the day we were delighted to learn that Brisbane were seven points ahead. All teams played very well in spite of the rain, mud, wet clothes and slippery fields. The second round of Southern Cross should have been played at Buderim, however, these fields were unplayable for most of the season, so Brisbane were asked to host the round instead. We were all prepared on Saturday 20th May, for Southern Cross, next day but once again the rain decided otherwise. We tried again for the 28th - A great deal of organisation went into the preparation for this. The Seniors had arranged to hold Presidents Cup on the 28th - thinking that the Juniors would have completed their Southern Cross commitments the

previous Sunday. What a nightmare! The co-operation between the two Committees this year has been great. When Sunday came (and so did the rain) there weren't enough fields playable, to allow both Presidents Cup and Southern Cross to be played. The Seniors postponed Presidents Cup to allow Southern Cross to go ahead - it was a very sporting gesture and Junior Management thank them most sincerely for giving us the use of the fields and by doing so, helped us to win Southern Cross Cup. Thank you Ros, Jenny and June for your thoughtfulness.

A big thank you to the Grounds Committee and the men who worked so hard to make the fields available. All our teams played very well again - we did have some injury problems and the selectors had to make a number of changes. Luckily a third U/15 team was playing (although not for points) and the selectors were able to make the necessary adjustments. At the end of the day at least two of us on Junior Management were grinning broadly and could hardly contain our excitement - we knew that we had won Southern Cross AT LAST - won not only the aggregate but all four age divisions as well - U/15A, U/15B, U/13A and U/13B - what a result! It is the first time that any centre has won all five cups. Congratulations to all the teams, coaches and manageresses and of course Ronda Nix. It has been Ronda's dream to win Southern Cross for quite some time and she has done so much for junior hockey since becoming Junior President, five years ago, we couldn't be happier for her. Well done Ronda!

Q.W.H.A. Under 13 Championships - Kingscliffe 18-22nd June.

The Championships should have been held at Murwillumbah but because of the floods in Murwillumbah prior to the Championships, were transferred to fields at Kingscliffe. Three U/13 teams travelled to Murwillumbah by coach, made a stopover at Q.E.11 on the way down, to watch the test between Australia and New Zealand. The teams and officials stayed at the Murwillumbah Motor Inn and travelled by coach to the field each day. The U/13A team coached by Mrs. Barbara Northcott, managed by Mrs. Carol Richards, had a very successful Championship and were runners-up in A Grade. Congratulations to Lia Bartholomew, Loren Chatfield, Michelle Irwin, Billie Ivanoski, and Linda Milligan for being selected in the best fifteen. Billie was also given the award for the second best player in the A Grade - Congratulations Billie - well done. U/13B coached by Mr. Greg Shirvington, managed by Mrs. Dawn Winter, were also runners-up in the B grade.

U/13 C coached by Mr. Adrian Summerville, managed by Mrs. Maureen Fleming were our "baby team". They performed very well and their coach was full of praise for his players.

The manageresses did an excellent job looking after all the girls. Being a manageress is not easy and Carol, Dawn and Maureen were all new to the job and according to the coaches and their teams, were caring, hard working and looked after their charges very well. Thank you all. Thank you to the three coaches, Barbara Northcott, Greg Shirvington and Adrian Summerville for giving so freely of your time to coach, encourage and "being there" for your teams. Thank you Barbara and Greg for the part you both played in helping Brisbane to win Southern Cross - we could not have done it without your help - THANK YOU.

Thank you to the umpires, Kerry Chatfield, Leonie Bernardin and Colleen Rendell for not only umpiring so well, but for the support you gave the teams - Thank you girls - well done!

Q.W.H.A. State Championships - Mount Isa - 25th - 29th June.

Two teams flew to Mount Isa to participate in the U/15 State Championships. U/15A coached by Sue McLatchey managed by Marian Brown were placed equal third, with Tweed in the A Grade.

U/15B coached by Helen Bernardin, managed by Jan Schubert were placed fifth in the B Grade.

The teams stayed at the Dalpura Motel and travelled to and from the fields each day by coach, hired from the Rockhampton team. Mount Isa was very cold, windy but at least there was no fear of it raining spoiling the U/15 Championships. We had a very comfortable flight each way. The girls were very well behaved at all times and were a pleasure to be with. We took four umpires to Mount Isa (Alyson Tidey - State B Badge, Leonnie Bernardin - State C Badge and Linda Ballantyne and Kerry Chatfield - both holders of Senior Badges) unfortunately, they were not given many games to umpire. It was a pity because the standard of some of the other umpires left a lot to be desired.

Thank you to Sue and Helen for the time spent coaching and helping their teams. They gave the girls much valuable advice and made themselves available at all times and encouraged anyone who needed a little extra help to go to them for it. Sue taught the girls to be "strong on the ball", the best foods to eat for stamina and fitness etc., The teams thought very highly of their coaches and tried their best at all times. Jan Schubert, as always, was a top manageress - took good care of her team and was a pleasure to work with - Thanks Jan.

U/11 Southern Cross - Brisbane 6th August.

Teams from Gold Coast, Ipswich, Toowoomba, Tweed and Brisbane took part in the U/11 Southern Cross Carnival. For once the rain stayed away, unfortunately, the wind did not.

Brisbane 1 coached by Terry Khan, managed by Sue Khan were winners of The Southern Cross U/11 Cup. A great effort! Congratulations.

Brisbane 11 coached by Jan Granzien, managed by Dianne Greenhalgh finished third in the B Pool. Good work girls!

Brisbane 111 coached by Susan Weimers, managed by Julie Moates delighted everyone by winning the B Pool Pennant. Congratulations!

The Carnival was a great success and we are proud of all our U/11 teams. Thank you to the coaches and managers for their interest and support. We hope you will nominate again next year.

The winning of the U/11 Southern Cross Cup and the B Pool Pennant means that Brisbane has won all Southern Cross cups this year - another first - no other centre has had such success before. WELL DONE BRISSIE.

Teams from America and Canada visited during the year and were billeted by Brisbane families. Games were arranged with selected U/17 Brisbane teams. The visitors enjoyed their stay and we thank all the families who opened their homes and made the girls welcome.

A special thank you to Jenny Heron, Ros Julien and June Ballantyne with whom Jan Schubert, Penny Clarke & I shared the downstairs office. At the beginning of the season it was sometimes like Queen Street in peak hour in that office but there were no complaints from the seniors they accepted us very well, were extremely helpful and were a pleasure to work with. Congratulations Jenny on the way you have settled in to the job of Secretary, - well done Jenny.

Some members of Junior Management are standing down and will not be returning next year. They will all be missed - everyone has worked hard this year to ensure the smooth running of the Junior Association. We say thank you and farewell to Dell Carbis, Cathy Richards, Val Hannam, Vonnie Faulkner, Jan Schubert and Ronda Nix. I will miss them all but my fellow manageress, Jan Schubert, I will miss most of all. Jan you have been a real treasure - I will always have very happy memories of our trips away with Brisbane Rep. teams. I enjoyed them all. Thank you Jan .

Ronda, you have been a wonderful President and you will be very hard to replace. You have achieved such a great deal in your five years as our President. I am so happy that you will be leaving us on such a "high" What a year it's been for you - I guess we could call it the year of The Southern Cross. Congratulations on seeing one of your dreams come true. Thank you Ronda from all of us on Junior Management - our best wishes go with you.

Penny Clarke, thank you for looking after our finances so well this year you're a treasure, **Treasurer!** Thank you Maureen and June for all your hard work this year- it will be great to have you back again next year. I would like to thank everybody who has helped the Junior Association in any way this year. A special thank you to Elaine Green for taking such good care of our injured players and to all the canteen workers thank you too!

Congratulations to Wendy Bliss who became Mrs. Wendy Wales , in June. Our deepest sympathy to Jan Schubert & family who recently suffered the sadness of losing both parents, within a couple of days of each other.

In closing, I would like to say how much I have enjoyed the season and wish you all a safe and Happy Christmas and I look forward to seeing you all again next year.

Marian Brown
SECRETARY.

JUNIOR SUB-ASSOCIATION TREASURER'S REPORT

Our Junior Management Committee met in November 1988 to draw up a budget for the 1989 season. We have had a very successful year finishing nearly \$200.00 above our budgeted credit balance.

The B.W.H.A. Subsidy of \$5,000.00 was used solely for subsidising our Representative Players and Officials. We subsidised them for a total of \$5,802.99. Our thanks goes to the B.W.H.A. Committee and hopefully they will consider an increase next year. There is a need for Minkey and Hockey Development in the schools but we don't have the resources to raise the funds for such a programme.

The opening of the Equipment Shop this year proved to be a huge success both financially and as a service to our players. It certainly has proved the need was there. The shop raised \$3,682.68 which eliminated many raffles and lamington drives. We must thank Dell Carbis and Jennifer Evans for their fine effort.

A World's Finest Chocolate Drive was conducted to help the Representative girls raise money for their tours. The money raised by each girl came off her own fare and some girls raised nearly their whole fare. A total of \$2,711.70 was raised.

The Talent Camp for U15 and U13 Representative Players was held at QEII from 21st to 23rd March. Our subsidy entitled from the Department of Education Sport Division was \$439.00 which is almost a quarter of the total cost of \$1,802.00 for the Camp.

Umpiring fines reached an all time high of \$810.00. Our aim for next season is to think of a way to reduce these fines.

As an incentive to our Junior Umpires we presented the girls who passed and became Badged Umpires this year with an Official Umpire's shirt and socks. We outlayed \$251.30 and we hope it will encourage more girls to sit for their Umpire's Badge.

Raffles have raised \$794.96.

All stocks of Representative gear were sold and therefore has given funds towards replacements. This year we have been able to put \$7,000.00 aside for replacement of Representative gear and Uniforms. Our main sources of revenue being the Equipment Shop, Raffles, Fines and selling off of all stocks of Representative gear.

I'd like to thank all members of Management and Council for their help and co-operation in my first year as Treasurer.

Penny Clarke
Treasurer

B.W.H.A. JUNIOR SECTION

JUNIOR TOURS SECRETARY'S REPORT

Thanks to the careful pre-planning of previous Tours Secretary, Mrs Miriam Brown, my task this year was much easier.

Brisbane Bus Lines again excelled, providing good coaches and "Nigel". Ipswich required two coaches for Southern Cross, and Murwillumbah one only for U13 State Championships, but boy did it work every day to and from Kingscliffe.

Murwillumbah Motor Inn catered well for the girls, and they enjoyed the Murwillumbah Memorial Services Club meals, however next time, for Under 13's, it may prove wiser to pay for individual meals, as the girls often ate less than the price of the quoted set rate meals.

Mt Isa greeted our Under 15 teams for the State Championships. East-West Airlines have never seen so much luggage for so few, but thoroughly enjoyed their company. The Dalpura Motel proved to be adequate, and Rockhampton's bus was certainly put to good use ferrying our players to and from the fields each day.

Next years needs are being looked into now, and with the Under 15 Championships in Brisbane in June, should provide plenty of challenge. Merry Christmas to all.

Jennifer Evans
Tours Secretary.

EQUIPMENT SHOP REPORT

Our gross sales for the 1989 season were \$20 319.35, and our gross profit was \$3 682.68. This amount far exceeds what we thought possible for our inaugural season. For this we wish to thank all the hockey clubs who have urged their players and parents to use this facility. As you will be aware, the profit from these sales formed a major part in the fundraising for the season. This money in turn is used for the promotion of junior hockey.

We foresee this shop accounting for all fundraising for the Junior Section, thereby relieving clubs of the onerous burden of raffles, lamingtons, chocolate drives etc. Therefore we urge all clubs to get behind this venture for the Juniors.

Dell Carbis (Convener)
and Jennifer Evans.

JUNIOR UMPIRES REPORT

I would like to express my sincere thanks to all for the help received this season, especially to Wendy Wales (nee Bliss), Linda Ballantyne, and Annette Gray. Accepting the position of convenor was a challenge in itself, not knowing anyone on the junior side of the Association, but this was made so much easier with the knowledge of my committee. I would also like to thank Lyn Cramp, from Bulimba, for helping with the examination papers. One again there was an increase in juniors sitting for the Umpires Exam, with good results.

It is gratifying to see the success on the practical side of umpiring as well, - just reward for time and effort applied by these young ladies. Congratulations from your Committee, and may we wish you good umpiring in the future. To those who didn't quite make it, we look forward to helping you achieve your goal in Umpiring next season.

Thankyou to all the Senior Umpires who umpired the Junior Semi-finals and Finals.

Jan Elliott
Convenor.

SOUTHERN CROSS CUP COMPETITION 1989

The Southern Cross Cup competition, between Brisbane Ipswich, Sunshine Coast, Toowoomba, Gold Coast, and Tweed District, was held again this year with great difficulty due to the wet weather. The first round in Ipswich on 7th April was cut short because of rain. Sunshine Coast was unable to hold the second round on 21st May because of water-logged fields. Brisbane agreed to hold this day instead, but postponed to 28th May because of rain. Brisbane held the second round (plus the games from the unfinished round in Ipswich) on 28th May under the most trying of circumstances. Only one field was playable at 8.30 a.m. due to heavy rain throughout the previous night. The Grounds Committee worked tirelessly all morning draining and mopping excess water to bring sufficient fields into use to finish the tournament on time. It was a remarkable effort. From Brisbane's point of view it was also a very worthwhile one, as Brisbane won the Southern Cross Cup for the highest aggregate points over the four grades for the very first time. In fact Brisbane made an historic "clean sweep: of all five trophies.

RESULTS:

AGGREGATE:	Brisbane	70	points
	Ipswich	57	"
	Tweed	46	"
	Toowoomba	25	"
	Gold Coast	17	"
	Sunshine Cst	5	"

1 Child Size 10 (Top)

1 Child Size 12 (Top)

1 Adult Size 20 (Tracksuit)

2 Adult Size 20 (Tops)

TREASURERS REPORT

From the finance committee meeting in November registration fees for 1989 had to be increased by 5% to cover increases by Q.W.H.A.

Associations are now being charged per capita and this is not able to be absorbed totally by the present fees.

This year the Under 18 State titles were held in Brisbane which meant our field maintenance and repairs budget had to be increased substantially. Overall \$16,000.00 was spent on the fields. Two sets of new nets were purchased in this figure.

The canteen once again was our main source of income netting a profit of \$10,827.91. Kath and Dave are to be commended for the job very well done.

Bar sales remained steady even with the drain of both players and supporters to Q.E. 11. Rental was slightly down this year and this "off season" could do with more bookings.

Telephone costs increased with the installation of a phone at Rasey Park for the minkey and Modified fixtures.

Sponsorship of \$4,000.00 was given by Fosters and Ricoh sponsored us with a Photocopier valued at \$4,000.00

Our representative teams were insured for the first time this year. Fortunately claims were minimal.

Break-ins were a problem early in the season. Security bars were fitted to the downstairs change rooms at a cost of \$1290.00, which we had not put into our original budget. New locks also had to be fitted costing \$226.40.

The sewerage system decided to pose problems as well this season. Repairs costing a total of \$1598.00 were required.

Store rooms were constructed to make room for more office space down stairs. We were fortunate the weather was wet early and the builder could finish the job with very little bother to users of the space.

Assistance was given to our rep players again this year as well as Coaches & Managers totalling \$1,330.00. A subsidy of \$5,000.00 was given to the Junior Sub Association.

As you can see by the following statement our expenditure is catching up to our Income very fast. The next few years will be a very testing time for amateur sport and will require a dedicated team to manage the financial affairs of any sport with so many involved in actually playing the game.

I would like to thank all those who have given me assistance over this year and especially Jack Manders who I am sure has aged at least ten years since I took over as treasurer.

June Ballantyne
Hon. Treasurer.
