PRESIDENT'S REPORT 1992

1992 has been a relatively uncomplicated dry season - against all predictions when I became President again. I have enjoyed the year in such exciting times.

This year was an Olympic year, a year of great development and consolidation and a successful playing year for Brisbane, as you will see in this report.

My congratulations to Kim Small, our Ricoh Medallist, and Tracey Belbin our winner of the Pam Glossop Shield.

My thanks , on your behalf, go to some of the hard workers: Jenny Heron, Secretary, June Ballantyne, Treasurer, Jenny Tidey, Lyn Thomas and a host of others who cannot all be named but to whom we owe so much.

This year Elaine Green will retire after 17 years as First Aid Officer. We will miss her.

Kate Duggan, in the office, has become a competent and integral member of our organisation.

My good wishes go with Ronda Nix as she leads BWHIA into a new era. She can count on these workers and me to help her all the way.

Ros Julien

SECRETARY'S REPORT

Tuesday 29th October the Annual General Meeting was held at the Downey Park clubhouse, with a very good roll up. It was nice to see so many Life Members present. The three J's gave a brief outline of their reports and the Annual Report as a whole was well accepted. Catriena Callaghan, Vice President 1991, took the chair to thank Jenny Tidey for all her work and welcomed Ros Julien as our new President. Ros presented Jenny with an engraved goblet from the Association for her two years as President.

At the Council meeting following the AGM the ballot papers for management and the judiciary were counted and named.

On Sunday 24th November members from our clubs presented themselves at City Hall to be ushers for the Christmas in Storyland pantomime. Thank you to the girls from Ascot, City United, Mt Gravatt Eagles and Everton Districts for their efforts.

Our band of hard workers met for Christmas drinks at the clubhouse on December 8th. A very informal atmosphere prevailed and everyone enjoyed the meal and the company. A great time was had by all.

BWHA was successful with two of our nominations for the Lord Mayor's Australia Day Awards. Samantha Rich won the Young Sportsperson Award and Jan Hadfield was runner-up in the Sports and Cultural Section. Congratulations to both of these ladies.

The Management committee met in January to map out the calendar for 1992.

The first council meeting was well attended. Clubs were given Affiliation and Registration forms. Also nomination forms for the State Championships in June.

Affiliation forms were received from 23 clubs consisting of 82 teams which became 10 Divisions and Veterans. St Peters school joined our ranks in 10th Division and had a good year.

Clubs were asked to attend Working Bees in March to get the fields ready for the start of the season. This was well attended by a majority of clubs.

The 1st and 2nd Divisions started the fixture season at the end of March. Starting a new era of these games being played only on the turf. Fixtures were played at Redcliffe and QE11 alternatively on Friday nights and on Saturdays at QE11.

The Division 3 through to Veterans began the 1992 season at Downey Park on Saturday 4th April on a fine afternoon. Life members, sponsors and official guests were invited to afternoon tea to mark the opening of the season. Nominations closed for the Open and Veterans teams, Coaches, Managers and Umpires to go to

Clubs were asked to attend Working Bees in March to get the fields ready for the start of the season. This was well attended by a majority of clubs.

The 1st and 2nd Divisions started the fixture season at the end of March. Starting a new era of these games being played only on the turf. Fixtures were played at Redcliffe and QE11 alternatively on Friday nights and on Saturdays at QE11.

The Division 3 through to Veterans began the 1992 season at Downey Park on Saturday 4th April on a fine afternoon. Life members, sponsors and official guests were invited to afternoon tea to mark the opening of the season. Nominations closed for the Open and Veterans teams, Coaches, Managers and Umpires to go to Maryborough.

The Under 18 teams went to Cairns on the May long week-end, Brisbane I - 3rd, Brisbane II - 1st and Brisbane III - 5th. Congratulations to all the girls, coaches and managers. The following players were named in the Queensland Under 18 team - Melissa Siedel, Christine Sheppard, Megan Thomas (Vice Captain) and Sharon Wagner with Marion Clark as the reserve. Well done girls.

The Queensland teams competed in the Nationals the last week of April and the first week-end in May. Queensland won the title from Western Australia on a stroke play off. Final score 2 all and then 5-4 strokes. Congratulations to Greg Richards, Wendy Cook and the team. Tracey Belbin and Debbie Bowman-Sullivan were named in the Australian team for Barcelona, congratulations girls.

The fixture books were printed and given out to clubs on May 2nd and so the year continued, two extra teams joined the Association at the beginning of May, 1 from City United and 1 from Logan. Bellbowrie 2 and Logan 3 moved to Division 8 and the new teams into Division 9.

Management meet on Tuesday 5th May to name the Open and Veterans teams, Managers, Coaches and Umpires for the June week-end.

BWHA Management reluctantly accepted the resignation of Dr Mary Hughes (due to work commitments) and called for nominations for the vacant position. Dr Diana Petrey was our new Management person. Welcome Di and hope you enjoy the experience.

On Sunday 31st May Divisions 4-10 and Veterans played the Presidents Cup games at Downey Park. The games were spread over three time slots. Our sponsor Schweppes was represented by Peter Watterson who presented the Best & Fairest in each division to be named as the President's Eleven. Divisions 1, 2 and 3 will be played when the teams at the top of the points in each grade meet next. Life Members were invited to afternoon tea and presented the trophies to the winning teams in each Division.

Maryborough over June 6,7 and 8 was the venue for the State Championships for Open and Veterans teams. Brisbane had 3 Open teams and 2 Veterans teams entered. Brisbane I are the State Champions again this year, congratulations to all players, Jan (coach) and June (manager) on a great result. Brisbane II came in 3rd in Division 1, Brisbane III won Division 3 and if the rules and the number of teams who enter next year don't change should automatically be upgraded to Division 2. The Veterans first team came 2nd and the Veterans second team came 3rd. Congratulations to all players who were named in the Open, Under 21 and Veterans teams or squads. Thank you to all those who represented Brisbane in Maryborough, well done.

Into July and everything was still running smoothly, all grades were into their lead up for the final run to the end of fixtures.

At the August Council meeting the nomination forms were given to clubs for the 1993 personnel. Clubs were asked to return minor premiers and premiers trophies ready for presentation.

On Thursday 3rd September the BWHIA "Player of the Year" Annual Dinner was held at the Tivoli Restaurant. The presentation and tally of the Ricoh points was ably helped by our two Brisbane Olympians who acted as board girls. Tracey Belbin and Debbie Bowman-Sullivan added a touch of class and humour to the occasion. The Ricoh Medal was presented to Kim Small from Eastern Suburbs, a worthy winner. It was great to see three Seoul Olympians on stage together: Brisbane should be justifiably proud of this great night. The media, sponsors and everyone who attended were favourably impressed.

Grand finals were played at both Downey Park and QE11 on the week-end 19th/20th September. Divisions 3 to 10 and Veterans were played on Saturday in great grand final weather (very hot). Divisions 1 and 2 on Sunday at QE11 commencing at 1.00 p.m. The games were tough with St Andrews winning Division 2 and Eastern Suburbs successfully defending their 1991 Division 1 trophy. Jan Salan once again present the 'Shirley Higgins Memorial Trophy' to Easts. Congratulations to all teams who played in the finals.

Congratulations to Tracey Belbin who was presented with the "Pam Glossop" Trophy, by Mrs Glossop, for highest representative honours.

Brisbane was ably represented in the various Queensland teams selected this year. Congratulations to all players, coaches, managers and umpires for again ensuring Queensland is the top hockey state in Australia.

A special mention to Elaine Green who is retiring this year as First Aid Officer. Elaine we thank you for all your years of attending the many injuries that have happened at the park. BWHIA on behalf of all members of the association presented Elaine with a lovely clock. As a Life Member we hope to see Elaine at Downey Park as a regular visitor.

On behalf of BWHIA I would like to thank the following people for all their help and encouragement during the year.

To our Patroness, Sallyanne Atkinson, for her continuing support and encouragement. Her enthusiasm for our sport is evident by the giving of her time to open the Under 13 Championships.

Ros Julien, our President, another very busy year, has resigned and is intending to travel overseas next year; have a wonderful time Ros. Thank you for everything.

June Ballantyne, our Treasurer, the job nobody wants to do but a very vital one if our association is to continue to grow. Thanks June.

Our Management Committee who have put in a lot of time and effort. Thank you for all your help during the year.

The Vice Presidents for their continued support and help when asked.

To our tireless worker, Lyn Thomas, who is Match Secretary, Umpires Steward and Convenor of the Fixture & Grading Committee. Thank you Lyn for again taking on the three most time consuming jobs of the association. Your expertise, organisation and presentation of all these areas is of enormous value to us.

Also thanks to the other members of the Fixture & Grading Committee, Jan Richards and Diana Petrey. This committees decisions at the beginning of the year saw strong competition in all grades. Thanks ladies.

With the retirement of our Umpires Convenor of many years Miss Heather Scraggs, we saw a new era emerge for the Umpires Board. Heather remained on the board to pass on her valuable knowledge to the other members. Thank you to Cheryl Kann (Management Liaison) and all members of the board for encouraging and improving all umpiring standards in our association.

Thank you to the Judiciary Committee who had a relatively easy year, we know you are available whenever the need arises.

To the Constitution Committee and the Finance Committee, who only had a couple of meetings this year. Thank you, its reassuring to know you are only a phone call away. These two committees will be in demand if BWAH is to make improvements at Downey Park. Thank you.

To Kaye Buchanski (Tours Secretary), Ronda Nix (Records Secretary), Joyce Proctor (Equipment Officer), Cheryl Kann (acting Minute Secretary), June Snarski (Time Steward), Dave and Kath Kineally and your band of workers in the canteen, thank you for without you the association could not function.

Thank you to the Selection Committees, the results speak for themselves, for doing the impossible and being in three places at once, trying to juggle QE11, Redcliffe and Downey Park - Juniors and Seniors.

The Grounds Committee had an extra busy year with the Under 13 Championships in Brisbane this year. Thank you to Ross Mitchell and his very hard working band of workers who were seen at the park every week-end and during the week to keep the grounds in the best possible playing condition. Thank you to Mary Cockings for liaising between the Grounds Committee and Management and for utilising her valuable local knowledge in attending Spring Hill Ward meetings and discussions with our local Alderman, David Hinchliffe.

Thanks to Jenny Tidey and the House Committee members for running and maintaining the clubhouse. Caroline Schomberg for staying late on Saturday nights to lock up after the stayers. To Joyce Proctor for supplying the afternoon teas for the many official functions.

Thank you to Judy Howard for her continued endeavours to promote hockey. The high regard in which you are held by media representatives is testimony of this. Keep up the good work.

To Kaye Pulsford who's knowledge of promotional and sponsorship dealings has shown Management what new initiatives are needed to better promote our sport. Thank you to Kay and her husband for all their work in connection with the BWHA Award evening dinner.

To Ian Honour for ensuring that QE11 runs smoothly during the afternoon games, and to Alison Minson for organising training sessions and suitable personnel to man QE11 for the night games.

Jack Manders, our Honorary Auditor for his continued support. Jacks helps both the Senior and Junior Treasurers and we know with his guidance BWHA will reach its goals.

The Junior Association had another very successful year. The hockey shop run by our Juniors was very successful and has paved the way for a full-time Junior Development Officer in 1993. BWHA co-funded with BHA for Greg Browning to act as Junior Development Officer for the region, however his work load was so great, Sue McLatchey was appointed as a part-time officer in June of this year and will become full-time next year.

To our sponsors - Arch Fraser (Ricoh - Inchcape Office Products), Peter Watterson (Schweppes), Rob Muller (Leo Muller Toyota) and Rob Milne (Just Hockey) and the other numerous people who have supported or donated to our association this year. Thank you and we hope you will continue again next year.

BWHA again employed a part-time Administrative Assistant, Kathy Duggan, for 15 hours a week, but it has become evident the need for manning the office 5 days a week. As our association continues to grow, all enquires and correspondence should be handled at Downey Park. Thanks Kathy for taking a lot of the pressure off me and ensuring the many tasks were completed before time.

To all the people, who have performed the many miscellaneous and time consuming tasks needed to run an association this size, a very big thank you.

If I've missed anyone I apologise, please take this as my personal thanks. My best wishes to everyone for a safe and happy off season and hope to see you all next year.

Jenny Heron
Secretary

TREASURERS REPORT

The B.W.H.A. finance committee had a very active year with almost monthly meetings throughout the season. Fees were increased slightly again this year and Clubs payed per player as in the previous year.

B.W.H.A. Management set a scale of fees to cover players in as many ways as possible. This did create some problems as some Clubs had as many changes to registrations as they had original registrations.

Insurance cover was included in fees this year which I am sure was a lot easier for Clubs.

Our B.W.H.A. Ricoh Medal presentation Dinner was a great success for our Social Committee and Sponsorship Officer - Kaye Pulsford. Some costs were incurred by B.W.H.A. but it is our dinner.

Our telephone expenses were up on previous years as we now have a clerical assistant in the office three days per week and our Honorary committee members do not have to use their own phone.

Several Capital purchases were made this year -

Cooking Equipment Canteen -	\$5352.00	
Fridge for First Aid Room	240.00	
Nets	3250.00	
Canvas Blind on Balcony	1100.00	
Back Pack for Fields	480.75	
Office Furniture	613.80	
Vacuum Cleaner	650.44	
Uniform Cupboard	795.00	Total Cost \$ 12,481.99

It was very good to see our fines income decrease this year. B.W.H.A. have never wanted to make this a revenue item.

The decision to employ an Office Assistant has proved very successful this year. Although this increases our expenditure I am sure all Clubs appreciate having information readily available.

I would like to thank the Finance Committee this year for their time and effort and attendance at all meetings.

We have finished the year in a sound position much to the delight of the committee.

June Ballantyne
Treasurer.

CANTEEN REPORT

Our canteen showed an increase in profit this year. The purchase of new gas cooking equipment proved invaluable. An increase in output resulted in an increase in sales therefore an increase in profit. Some prices were increased but wholesale prices were up on previous years.

The Canteen has to be upgraded to Council Health regulations during the off season at some considerable cost.

Special thanks again to Dave & Kath and Staff for their hard work through the year and especially during the under 13 Championships.

June Ballantyne
Management Liaison.

CONSTITUTION COMMITTEE REPORT

1992 has proven to be a very quiet year for the Constitution Committee. With a brief to convene only as required, to provide advice on matters raised or recommend wordings for proposed amendments, the Committee has not been called upon to meet during the season.

The Presidents Cup Finals for Division 1 and 2 were conducted under a different situation this year. Advice was given by the Convenor that no amendments to the By-Laws were necessary.

A small number of proposed amendments to the By-Laws were passed at the 1991 Annual General Meeting with a subsequent amendment at a Special Meeting, at the beginning of the 1992 Season, to correct an administration error in the original wording of one amendment presented to the Annual Meeting.

The results of these proposed amendments were as follows:

- . An extension to the requirements for players to sit for the umpires exam (*By-Law 11*)
- . A tightening of player qualification rules for cup finals (*By-Law 9(a)*)
- . A tightening of player qualification rules for semi-finals and finals (*By-Law 8(a)*)

From the lack of activity, it can be assumed that clubs are satisfied with the current Constitution and By-Law Documents.

Mike Thomas - Convenor

SOCIAL COMMITTEE REPORT

This years' Social Secretary job was left with little to do, as the major raffle, sponsored by Ricoh, was deferred, in preference to arranging a Fax Machine. This new machine will allow for both Junior and Senior Associations to run more efficiently.

Smaller raffles were run, with the help of Jenny Tidey, Jenny Heron and Kathy Duggan.

My thanks to Robbie, Mrs Mc Dougall, Bella Sim and Joyce Proctor for their afternoon teas for the 'workers' and help throughout the season.

Next year should see the beginnings of a Social and Fundraising Committee, to start raising monies for a Downey Park Turf.

See you next year.

Caroline Schomberg - Social Secretary.

CLUBHOUSE REPORT

With the playing of all 1st division games on the Artificial surfaces at QE II and Redcliffe this year, we saw a drop in bar sales at Downey Park. Our thanks in particular to Commodores who treat BWA clubhouse as their own headquarters and enjoy the company and hospitality there most Saturday evenings.

The Schweppes sponsorship saw a Post Mix Machine installed in the bar and although we have had some complaints about there being no Coca-Cola, I'm sure the Schweppes alternative will be acceptable. A canvas awning has been installed across the verandah facing Field 1 and the afternoon sun. The office section has been paid by Schweppes and the remainder by BWA with signage available to any other sponsors. Anyone upstairs late afternoon or during the summer months will notice a marked difference with the awning.

This year the Brisbane City Council have inspected our kitchen upstairs and require several changes according to new regulations bought in in the last 3 years. Thanks to Keith Nix and Graham Wakefield who have drawn plans to upgrade this area - double sinks and brick walls to be covered are the major 2 changes. This of course will cost several thousand dollars.

Clubs once again had rostered raffle days and we hope they were profitable. However it would be nice if players come upstairs more often and not just for their raffle days.

Once again this year we have had several 21st parties and Trophy Nights in our clubhouse - remember it is available for your enjoyment anytime of the year. The City Bridge Club use our premises 2 and 3 times weekly (daytime) which helps with our finances.

With our Five Year Development Plan being put into operation, I'm sure we'll see a lot of changes at Downey Park and hope to bring our lady hockey players back to our home ground and clubhouse.

My thanks especially to Caroline Schomberg, Joyce Proctor and Darren Hunter for the smooth running of the bar and clubhouse bookings for the year. Lets hope 1993 will see our clubhouse being supported by more people.

Jenny Tidey - Convenor.

TOURS SECRETARY REPORT

Brisbane teams requiring touring arrangements consisted of 3 Open and 2 Veterans Teams to the State Championships in Maryborough, and 3 Teams to the State Under 18 Championships in Cairns.

Accommodation was secured in Maryborough at the Parkway Motel for the Open Teams, and at St Andrews Motel in Hervey Bay for the Veterans. The separation of teams was brought about by a mix-up in allowable numbers of Teams being able to compete. All accommodation should be made by direct contact with the Motels.

In Cairns, the accommodation was at the Flying Horseshoe Motel. Whilst the distance to the fields was within walking distance, it was somewhat onerous on many Players and Officials.

Private and/or Coach travel was arranged for Maryborough, and Australian Airlines carried the Under 18 Teams on two flights to and from Cairns.

As the office at Downey Park is open mid-week, travel and accommodation arrangements should be made through this central point. Therefore, the position of Tours Secretary need not be called in Nominations.

Kay Buchanski.

GROUNDS COMMITTEE REPORT

This 1992 season was devoted almost completely to maintenance.

The main activities for the year included:

Mowing and marking of Field 13 in readiness for Under 18 selection trials.

Field repair at the start of the season, to reurf and topdress the worn areas from the softball season.

Existing nets repaired and refurbished. In addition four new nets completed with the fitting of backboards.

Initial layout and continuous linemarking of 13 hockey fields at Downey Park, 4 Modified and 3 Minkey fields at Rasey Park.

Placement of nets onto fields at both Downey and Rasey Parks.

The association now possesses:

26 x backboards - Downey Park
4 x backboards - Rasey Park
8 x no backboards - Rasey Park

The Morrison mower failed at the beginning of the year and had a complete overhaul.

The ball trap was repaired and the mushroom heads ground off pegs straightened and painted. A new electric grinder was purchased at the end of the season in readiness for 1993.

Playing fields at Downey Park sprayed to control weeds. A backpack spray was purchased.

Midyear field repairs, dimension checking and marking to enable the Queensland Under 13 Championships to be played.

Continuous watering of fields during the season in order to maintain a good grass coverage.

Under 15 Southern Cross first round series was transferred to Downey Park at late notice due to Sunshine Coast fields being unplayable.

Downey Park also hosted the Under 11 Southern Cross Competition.

All nets were removed from playing fields and have been stored at both Downey and Rasey Parks.

As you can see from the above, the Grounds Committee (few) has had a busy year maintaining both parks.

As this will be my last year as Convenor, I would like to thank my committee. A special thank you to Robin Sneddon and John Bigg for the many hours spent on upkeep of grounds and equipment and the many associated chores. Also my thanks to Noala Gordon for the mowing of fields when required. To Mary Cockings a very special thankyou for her management liaison and assistance during the season. I would also like to thank the Queensland Womens Amateur Sports Council for their co-operation, BWHA and BJWHA Presidents and their management committees.

In closing I wish all a happy Christmas and a healthy and prosperous 1993.

Ross Mitchell
Convenor

UNDER 13 CHAMPIONSHIP REPORT

The Q.W.H.A. Under 13 years State Championship was held at Downey Park from 21st to 25th June, 1992. The tournament was opened by Mrs Sally-Anne Atkinson, Patroness of the B.W.H.A., after a march past of all teams. The M.C. for the opening ceremony was R.L.J. (Jim) Northcott, A.M., and Alderman David Hinchliffe presented the March Past Trophy to the winning team, Gympie. During the ceremony Mrs Daphne Pirie, President of Q.W.H.A. presented Kim Parkes with her CAPS Scheme Certificate, the first such award for hockey.

The organisation of State Championships are always major undertakings for an association, falling as they do during the busy hockey season, when administrators and officials have their hands full running their own association's fixtures. The Brisbane Women's Hockey Association once again rallied round and rose to the occasion in their usual competent fashion, hosting a very successful event. It was successful from every point of view. The weather was beautiful, the games were played on time and without any major hitches, and it was a social as well as a financial success. Taken overall, the association (senior and junior together) made approximately \$7000.00 on the event, taking into account all profits (equipment shop and the canteen included).

A special Championship Committee was formed at the 1991 Annual General Meeting to organise all aspects of the tournament. A full list of the committee members is in the front of this report. The committee met regularly in the months leading up to the championship planning all facets of the event, and I thank them all on behalf of the B.W.H.A. their time and efforts. Whilst it is not always a wise thing to single people out for special mention when so many are involved, there are several whose efforts deserve a special thank-you. Firstly to all the B.W.H.A. families who provided billets, and Jenny Tidey as Billet Officer. If you have never organised billets, then you can have no appreciation of the difficulties this job presents. It is definitely the biggest headache in the organisation of a championship. Thank you Jenny for a job well done, and also for your efforts during the championships, especially organising the sale of photographs. I must also thank Jack Dale our volunteer official photographer, for doing such a professional job on our behalf.

To Kathy Duggan who stepped in at a very late date to organise sponsorship for the programmes, my sincere thanks. After Kathy's efforts the programmes only cost us \$28.00, as opposed to the full cost of \$500.00. A special thank you to Joyce Proctor who catered in her well known fashion for lunches for the Q.W.H.A. officials and special visitors, and also for the promotional breakfast for the 22 team captains and members of the successful open QTeam. Joyce was ably helped by Mary Cockings and Life Members of the Association, notably Mrs Ruby Robinson, Bella Sim, and Betty Watson. Joyce and Mary also worked hard helping us put the "Welcome Kits" together for all the participants. The hospitality for all visiting coaches, managers, umpires, and officials was provided by the Junior Association, assisted by donations of cakes etc. from B.W.H.A. clubs with players in the championship. Thank you to all the clubs who helped out, and a particular thank-you to Judy Trewin who was in charge of this important area, and made sure everything went smoothly in the clubhouse. We received many compliments on our hospitality. Thank you also to Marilyn Chatfield and her helpers for the well presented fruit trays for the centres.

Due to my role as Tournament Director during the week, Jenny Heron and Marilyn Oliver took over the Championship Convener's duties for me, doing such things as selling ice and programmes, typing results, and organising the Championship Dinner, to mention but a few. My thanks to both these ladies for all their assistance.

As usual Ross Mitchell and the Grounds Committee did a wonderful job, not only getting the fields and nets in order, but also putting the corner posts out, putting up the ball traps and signs each day, and bringing them down in the afternoon. Many of these people took holidays for this event, and the B.W.H.A. is very grateful for their support.

Tracey O'Connor, the Time Steward for the Junior Association, was another person who took time off work to act as announcer and time keeper for the tournament. Thank you Tracey for an efficient, professional job.

The canteen did a roaring trade during the week. As well as normal trade over the counter, there were team lunch orders to take and fill, and Ros Julien and June Ballantyne did this job in a very accurate and thorough way, managing to get the totals right each time. Well done ladies! The equipment shop was well patronised, selling out of championship souvenirs on the opening day. Margaret Coughlan, Noala Gordon, and their band of helpers are to be commended for the work they do for the association in providing this service.

I know Q.W.H.A. will have thanked Michelle Arnold and Sue Wiemers for their work with the umpires during the event, however I would also like to congratulate them on a job well done, and also thank the many other Brisbane people who helped them with the organisation and testing of umpires during the championship.

Our First Aid Officer Mrs Elaine Green did her usual thorough job during the week, and I know she would like me to thank Elastoplast, her sponsor for the event, and Mr David Bruce who provided transport to the medical centre for any players who required attention.

In closing may I say a very big thank-you to all the sponsors of the event who either advertised in the programme, provided donations of goods, or gave items for the "Welcome Kits". In this regard we acknowledge AC/DC Sportswear, the Australia Day Council, Ballantyne Cleaning, CCA Snack Foods, the Commonwealth Bank, Dallas Parade Meats, Elastoplast, Just Hockey Australia, Keperra Cake Shop, Keperra Fruit Bowl, Kodak Australia, Nixenco Pty Ltd, Northern Suburbs Hockey Club, Queensland Cancer Fund, Schweppes Drinks, Simsmetal, Telecom Australia, and Wendy's Supa Sundaes.

There were many other people who contributed to the success of the week, and to the many people who helped that I have not mentioned in this report, please accept the thanks of both the B.W.H.A. and myself. We received such good assistance from everyone in the association, it is impossible to mention every-one by name. Your help however was not unnoticed. Thank you all.

Ronda Nix,
Championship Convener.

QE II REPORT

BWHA hired the turf at QE II from the Brisbane City Council throughout the year. The turf was used for five hundred hours at a cost of forty-two thousand dollars.

The Juniors used the turf for 100 hours, this included Junior fixtures and skills day and special squad training.

Through the season the seniors used it for fixtures on alternate Friday nights and every Saturday. In addition, extra time was used for selected team training and talent squads. In round figures 400 hours.

I am indebted to Ian Honour for his help in running the fixtures every Saturday. Without someone of his reliability we would have found it difficult to run the games at QEII. Dwayne Kirk and his colleagues managed the evening timeslots, which was much appreciated.

The QE II committee ran the introductory S.M.A.C. (Sports Medicine Awareness Course) early in the season. Fifteen people participated and it engendered renewed enthusiasm for first aid and prevention of injury.

The BWHA will soon be considered a 'third world' association if it does not have its own turf. Associations such as Cairns, Toowoomba, Ipswich and Bundaberg and even Maryborough are all very much smaller than BWHA but have put them down. Every player at Downey Park would like to see our first and second division games "back at Downey". To continue to have a successful and efficient association I believe we must all work for a "Turf at Downey". As soon as possible we must stop paying rent and start paying off "THE LOAN".

Finally my thanks go to my committee for their help. In particular Ian who looked after the training roster while I was abroad, and Val Bartlett for help whenever asked.

Alison Minson.

UMPIRE'S REPORT

Before I outline the details of the activities of the Umpires Board for 1992, I wish to pay tribute to Heather Scraggs who stood down from the position as Umpires Convenor after more than 20 years in the job. The work that Heather did for Umpires in Brisbane over these years is incalculable, and always done with a smile and that little giggle of hers. Several generations of umpires, including myself, owe much to Heather who was always available to offer advice and encouragement, and the number of Australian Badged Umpires that Brisbane boasts is testimony to her hard work.

With retirement from her employment Heather plans to "trip" here and there at her leisure, and we wish her enjoyment in this new phase of her life - she's earned it! We are, however, grateful that she remains on the Board, and her assistance and support to me this year has been greatly appreciated. I deem it an honour to be known as her friend. Thank you, Heather from a lifetime of Umpires, and congratulations on a job VERY WELL DONE !

Heather's past workload has been shared this year with each member of the Board having a 'portfolio' :- Jan Hadfield conducted the Pre-season and Mid-season Umpires Talks, Michele Arnold and Vicki Spice were in charge of organising the Umpires Exam, Lyn Thomas as Umpires Steward appointed the umpires each week, Sue Weimers organised the purchase of new Umpires Shirts and Cheryl Kann attended BWA Council and Management Meetings as the Board Representative. Because of the three venues now used for matches, testing of Umpires was necessarily split between Board Members - Jan Hadfield, Michele Arnold and Sue Weimers tested at the Turf Venues at QE II and Redcliffe, and Lyn Thomas, Heather Scraggs and Cheryl Kann tested at Downey park while Vicki Spice was able to test Umpires at both venues.

This year Clubs were asked to submit names of Umpires who wished to be tested and this proved successful, with the Board Members able to target these Umpires from early in the season. All of these Umpires were looked at, at least once during the first round, albeit with some difficulty because quite often listed Umpires had been substituted.

In March, QWHA conducted a Junior Umpire Coaching Accreditation Course on behalf of BWA. Sixteen people attended from Brisbane and all passed the Course (they are listed later in Records), and their brief now is to coach Junior and/or Beginner Umpires in their Clubs. Candidates were interviewed later by Heather Scraggs and Michele Arnold on their progress with some innovative ideas forthcoming eg: an Umpiring Trivial Pursuit Game.

Umpires Talks were held regularly again this year. The annual pre-season Umpires Discussion was conducted by Jan Hadfield and Michele Arnold, and they also held a mid-season talk with Umpires who control Division 1 - 3 matches with the latter talk in particular drawing positive and favourable responses from participants. Traditional monthly discussions were held as usual, with a change in that topics for the talks were announced at the beginning of the season, and the Board Members took turns to present the discussions. The idea, drew a favourable response, although attendances are still disappointing.

A new BWA By-law meant that this year all players from Divisions 1 - 4 and Representative Players from Under 18 to Veterans who had not already passed the Umpires Exam were compelled to do so. This meant of course an increase in the number of candidates this year to about 200. Hopefully, the experience of learning the rules and doing the exam will translate both to better umpiring of games and attitudes of players to umpires on the field.

The Board conducted a concerted campaign during the season to have umpires wear white - the aim being to "look the part" and to raise the profile of umpires on the field. The campaign did work for a short time but standards subsequently deteriorated again after a few weeks.

State A and B Umpires who control games on turf from next year will wear pink shirts which were worn for the first time during Finals this year. The white BWA Umpiring Shirts will now be presented to Umpires who have State C and Senior Badges. State A Umpires who officiated at the Open State Championships were presented with a Jade Green Shirt. These innovations are an important recognition for Umpires.

The Board was greatly heartened by the number of Umpires who applied to travel to the various State Championships this year eg: 9 to Cairns for the Under 18 and 7 to the State Open Championships in Maryborough. The Under 13 State Championships held at Downey Park also gave more opportunities for our younger umpires to gain experience. The Board is also very grateful to Bernadette Gotting of Ipswich who umpired Club Fixtures on a regular basis at QEII this season.

Special congratulations to Jan Hadfield who regained her ranking of No.1 in Australia at the Australian Championships but this was not enough for her to be invited to umpire at the Olympic Games, which was a great personal disappointment. Kim Thomasson attended the Australian Under 21 Championships in Hobart for testing for an Australian Badge but unfortunately was not successful. We hope that she will try again! Brisbane has 3 of the top 5 State A ranked Umpires in Queensland - No.1 Kim Thomasson, No.2 Julie Ashton-Lucy and No.4 Sue Weimers. This means that Julie will travel to Perth to the Australian Under 18 Championships for assessment for her Australian Badge. Michele Arnold also umpired at the Australian Championships in Melbourne as part of Queensland's 3 representatives - a great effort !

Special congratulations also to Kerry Chatfield who was awarded her State A Badge in Maryborough at the State Championships and becomes one of the youngest in Queensland's history to be awarded this honour. Congratulations to Sue Williams who was awarded a State B Badge, and to Janet Hill, Robyn Leece, Lindy Spice, Brenda Wilson and Melinda Richards who all were awarded State C Badges this year. A fantastic achievement for Brisbane and one that should be built on in the seasons to come.

A new innovation this season has been the "Rule of the Week" where a Rule or part thereof was highlighted and announced over the PA at Downey Park before each match.

Umpiring will form an important part of the BWA Development Plan and Heather Scraggs is to be thanked for doing the bulk of the work in this area which will complement her work in this area for Queensland.

This season as the nominal 'Umpires Convenor' has been a great learning experience for me and I thank each member of the Board for their hard work and input this season, with particular thanks to Lyn Thomas who did the bulk of testing at Downey park when I and other Board Members were otherwise engaged. Lyn has given me great assistance and support and I thank you most sincerely, Lyn.

The future of Umpiring in Brisbane looks very bright with several very promising umpires coming through and it is up to all the association to nurture and encourage these talents to their fullest potential so they are not lost because there is a career pathway in Umpiring which can also lead to Olympic and World Cup Representation as much as playing the game does.

Cheryl Kann

Ms Lisa Toghill	(RED)
Ms Helen Whelan	(ST.A)
Mrs Sue Weimers	(COM)
Ms Sue Williams	(UNI)
Mrs Brenda Wilson	(ASC)

UMPIRES STEWARDS REPORT

The 1992 season proved to be similar to the previous two. There were ten fixture days when no penalties were imposed for failure to comply with Club umpiring commitments. In contrast, other days resulted in considerable problems of non-attendance and large numbers of substitutions. Club officials responsible for organizing umpires have a very difficult task and should be praised for their undaunted efforts.

The individual Club umpiring responsibilities for the 1992 season are detailed in the table below:

CLUB	WEEKLY AVERAGE UMPIRE ALLOCATION PER CLUB	TEAMS (DIVS) FROM WHICH UMPIRES ALLOCATED	YEARLY TOTAL TURF UMPIRES
ASCOT	6.8	1, 2, 5, V	42
BELLBOWRIE	1	4	NIL
BGGS	NIL	-	NIL
BULIMBA	2.4	4, V	NIL
CITY UNITED	4.2	2, 4, V	15
COMBINES	1	V	NIL
COMMERCIAL	7.3	1, 2, 3, 5	31
COMMODORES	1.3	4	NIL
EASTS	7.7	1, 2, 3, 5, V	33
EVERTON DIST	0.8	8	NIL
LOGAN	2.6	3	3
MT. GR. EAGLES	1.3	4	NIL
NORTHS	5.5	1, 3, 5	11
PINE HILLS	0.9	8	NIL
PINE RIVERS	1	6	NIL
REDCLIFFE	5.4	2, 3, 5	16
ST. ANDREWS	9	1, 2, 3, 5, V	57
STH. W. UNITED	7.1	1, 3, 4, V	21
UNIVERSITY	6.3	1, 2, 4, 5, V	19
VALLEY	7.4	1, 2, 3, 5, V	56
WYNNUM SPARKS	0.9	5	NIL
ST. PETERS	NIL	-	NIL
INDEPENDENTS	1.6	-	29

Umpiring Statistics for the 1992 season were as follows:

Total Allocation:	1803	
Non-Attending:	* 14	0.8%
Late Arrival:	12	0.7%
Substitutions:	602	33.0%

* including one loss of points penalty

These figures represent reductions in the total of non-attenders and late arrivals compared to last year. Substitutions increased slightly.

Badged player-umpires and Club nominees again shouldered the major responsibilities. These players, along with our independents, Jan Hadfield and Bernadette Gotting, are to be thanked for their efforts.

I should like to acknowledge my appreciation to the Umpires Convenor and the Umpires Board for their co-operation during the season.

Lyn Thomas
Umpires Steward

FIXTURE/GRADING COMMITTEE REPORT

The 1992 season saw a total of 83 teams affiliated for Senior Fixtures. These included one team from the newly-affiliated Club, St. Peters.

The teams were graded into seven Divisions containing 8 teams each, and three Divisions of 6 teams, with nine teams competing in the Veterans Division. After five fixture games, two teams, Bellbowrie 2 and Logan 3, were promoted from Division 9 to Division 8 with half points and goal balance. At the same time, two new teams, Logan 4 and City United 5, entered the competition in Division 9.

The provisions of the amended By-Law 5 with respect to the number one teams of Clubs were again utilised with end-of-season and pre-season grading matches arranged between Norths 1 and Redcliffe 1. Prior to the pre-season game, Redcliffe 1 requested affiliation in Division 2 and Norths 1 were automatically promoted to Division 1.

As requested by Clubs, all Division 1 and 2 games were played on artificial turf with two fixtures per week being played on Friday nights, alternately at QEII and Redcliffe. Once again, the Match of the Round was allocated to the 2.15 p.m. time slot at QEII each week. This proved to be very successful from a publicity point of view.

I should like to express my appreciation of the efforts of my Committee members, Jan Richards and Di Petrey.

Lyn Thomas
Convenor Fixture/Grading Committee

EQUIPMENT REPORT

Once again Leo Muller Toyota has donated another set of shirts, this enabled us to outfit all representative teams in matching uniforms. Our thanks to Leo Muller for their continued sponsorship of BWAH.

My thanks to Jenny Tidey, Mel Taylor and Management for their help and co-operation throughout the season.

Joyce Proctor - Equipment Officer.

JUNIOR PRESIDENT'S REPORT

Annual Reports give us a chance to reflect on the season just finished. A chance to stand back and admire the hard working volunteers, and a way to express our appreciation of all our clubs and committees.

For the first time this year BWA and BWA (Jnrs) have funded Development Officers in conjunction with BWA. Greg Browning full time and Sue McLatchey part time. While we had an increase of 14 teams this year, I feel sure Junior Girls Hockey will continue to grow.

With growth comes a problem of more grounds and facilities. A nice problem to have, but still more grounds will be needed next year, making a fourth venue for Junior Girls Hockey.

The improvement to the "Just Hockey" shop has increased our funds greatly, this would not have been possible without Margaret Coughlan and Nola Gordon. These two ladies are absolute treasures to junior hockey and I hope they will be with us again next year.

Brisbane hosted the Under 13 State Championships this year and I thank all involved especially the billeting families.

What is in store for 1993? I would like to see more of our junior coaches being coached and obtaining their levels. This is the best way to improve the overall standard of Junior Hockey.

We were fortunate to have our Junior Umpires Board with a full compliment this year. This enabled a lot more juniors to be tested with the result of a record number of girls obtaining their Junior Umpires Badge. Thank you to Kim and her committee.

While I sincerely thank all my Committees and Management, I would feel it would be remiss of me not to mention three ladies who are retiring this year. They have given an enormous amount of time and energy to Junior Hockey.

Marion Brown my hard working Secretary, Helen Bernardin our Minkey and Modified co-ordinator and a face that will be greatly missed, Elaine Green (Greenie), the First Aid Officer for women's hockey.

After 34 years in hockey, I am still learning about our wonderful game, also still meeting people and making new friends, I thank you all for your support and for the honour of being BWA Junior President.

Marilyn Chatfield

JUNIOR SECRETARY'S REPORT

It is with much pleasure that I present for your interest, my report on the activities of the Junior Sub-Association for the 1992 season. I am very happy to report that 1992 was again a very successful year for the Juniors. Our numbers increased to a record 77 Junior teams plus 14 Minkey and 20 Modified teams. We were delighted with the popularity of junior girls hockey even though it gave the Fixture and Grading Committee a few headaches, trying to find room for 77 teams at Downey Park. It was decided that there would be three timeslots at QE II, this helped a little, except for the couple of Saturdays that QE II was unavailable and then it was "back to the drawing board". The problem was overcome by changing a couple of timeslots and re-allocating fields. I would like to thank all the clubs for their co-operation and patience on these days.

The number of clubs affiliated this year was 16, same as last year, although we lost St Rita's and gained Brisbane Girls Grammar School. There were 11 age divisions, U17A, U17B, U15A, U15B, U15C, U13A, U13B, U13C, U11A, U11B and U11C. The U11 age group played a full round of grading games before being graded into their respective grades.

During the season there were 9 Management Meetings, 5 Special Management Meetings and 8 Junior Council Meetings.

The first Management meeting for the year was held on Saturday 18th January, where the seasons activities were mapped out and the calendar set for the year. We welcomed Judy Trewin to Management and Penny Clarke rejoined the ranks as Tours Secretary. There were no other new faces on the committee, just a couple of changes in positions, Carol Richards moved to Minute secretary and Dawn Winter to Records Secretary.

We were fortunate to have all positions filled on the Umpires Panel this year and what a highly qualified panel they were. Kym Thomasson, the convenor State A Badge, Sue Weimers, State A, Kerry Chatfield, State A, Janet Hill, State C and Jan Chapman with a New Zealand Umpires Badge. The panel worked very hard all season and we thank them all for a job very well done.

We decided to have a coaching clinic for players whom the Brisbane selectors thought would benefit from the specialised coaching. The names of these players was announced on Grand Final Day last year. Most of the players took advantage of the coaching clinic and the opportunity to improve their skills. The clinic was held at Downey Park from 22nd - 24th April, 1992.

Selection trials for the Brisbane Representative players was held on Sunday 26th April when a squad of 42 U15's and 39 U13's were chosen to attend a Brisbane Training Camp from Sunday 3rd May to Tuesday 5th May. From these squads the teams for the first Southern Cross were selected.

1st Southern Cross was to have been held at Sunshine Coast on May 10th but due to very heavy rain in the Buderim area, the games were postponed and were to have been held at Ipswich on May 24th. Again the rain intervened and Ipswich fields were not able to be used, so it was Brisbane who came to the rescue and held Southern Cross at Downey Park. Our teams performed well and overall, Brisbane was well ahead on points at the end of the day.

2nd round was held at Buderim on May 31st but once again the rain intervened and by lunchtime it was evident that the fields were becoming too dangerous to continue playing and the delegates from each centre had a meeting and decided that in the circumstances, it would be best to cancel all other games.

Brisbane was still well ahead in U15A, U15B & U13B divisions and won these three cups, also taking out the Southern Cross Cup for the centre with the highest number of aggregate points. Congratulations to all the teams, coaches and especially the manageresses who had to contend with the muddy uniforms!

The U13 State Championships were held in Brisbane from 21st June to 25th June. Our most sincere congratulations to Ronda Nix, the Tournament Director, and the U13 Committee on yet again, another very successful Championship. Our four Brisbane teams performed well and can be very happy with the overall results. Congratulations to Lara Coughlan, Nikita Cuffe and Natalie Willims who were named in the Best Sixteen. Loretta Roebuck was named Best Player in B Grade and Belinda Vearing, Most Promising Player in B Grade.

U13A coached by Barbara Northcott, managed by Maureen Fleming were placed third in A Grade.

U13B coached by Helen Bernardin, managed by Margaret Loughnane finished third in B Grade.

U13B(2) coached by Ken Oliver, managed by Glenda Vearing finished fourth in B Grade.

U13C coached by Rolene Sheppard, managed by Lyn Cramp finished fifth in C Grade.

The U15 State Championships were held in Mackay from 28th June to 2nd July, 1992. The three teams and their manageresses travelled by Bus Australia coach to Mackay, leaving Downey Park on Friday night and arriving in Mackay next morning. The coaches and umpires joined the teams at the Victor Motel on Saturday evening.

U15A coached by Sue McLatchey, managed by Marian Brown were placed 4th in A Grade.

U15B coached by Nikki Taylor, managed by Judy Trewin were runners-up in B Grade.

U15C coached by Sue Torenbeek, managed by Di Potter were placed 3rd in C Grade.

Kate Seidel was named Player of the Championships and was also selected in the Best Sixteen as was Bridie Potter. Janet Hill was awarded her State C Umpires Badge and Melinda Richards and Sheryl Hockaday each gained their State Senior Badge. Melinda Richards was given the honour of umpiring the A Grade Grand Final between Cairns and Maryborough and what an excellent job she did!

Congratulations to all our Representative players, coaches, managers and umpires for your achievements in 1992.

U11 Southern Cross Cup was held at Downey Park on Sunday August 2nd when teams from Gold Coast, Sunshine Coast, Tweed, Ipswich, Toowoomba and Brisbane played for the Southern Cross Cup in A Grade and a Pennant in B Grade. Our three Brisbane teams played well, U11A's coached by Peter Fleming, managed by Tracey O'Connor were runners-up to Tweed in A Grade. U11B's coached by Tess Cumming, managed by Jill Farrell won the B Grade Pennant - Well done everyone! U11C's coached by Kerry Chatfield, managed by Jan Cuffe were runners-up in B Grade.

We were most impressed by the high standard of these U11 players and Brisbane can look forward to many more successes in future years, with young players of this calibre moving into the higher age groups.

A special thank you to our selectors, Ronda Nix, Sue McLatchey & Jacqui Maugher our U15 selectors and Barbara Northcott, Helen Bernardin and Marilyn Chatfield U13 selectors for the time you gave selecting the teams, attending Southern Cross, and for all the Saturdays you spent watching the players in their club games. We are most grateful to you all for all your hard work. Thank You !

It was very pleasing to see so many of our juniors (and a few parents) sit for the umpires exam in July and the high percentage who passed that exam. Congratulations to you all - for those who didn't pass this year, don't give up - keep trying.

Congratulations to the girls who were awarded their Junior Umpire's Badge on Grand Final day. Keep up the good work and PLEASE keep up your umpiring and help the Junior Association next season.

A big thank you to all the senior umpires who umpired the semi-finals and finals your assistance was very much appreciated.

Congratulations to those teams who won Minor Premierships and Grand Finals. Congratulations to the runners-up too! You did well and there is always next year. Congratulations to St Andrews for winning the Best Club Trophy and to Valley U11A's for winning the Best Team Trophy.

Our very best wishes and heartfelt thanks go to Elaine Green, "Greenie" who is retiring after 17 years. Elaine you have been terrific - it's been a pleasure to work with you over the last seven years. On behalf of the Junior association I wish you the very best of luck in everything you do - enjoy your retirement and God Bless.

Penny Clarke has been a great Tours Secretary this year and all our travel arrangements have been spot on. The Victor Motel in Mackay was excellent, the proprietors friendly and very helpful to us all. We enjoyed it immensely. Penny used her charm to placate Brisbane Bus Lines when the Southern Cross destinations were changed so often.

Thank you Carol Richards, our Minute Secretary, and to Dawn Winter who deputised when Carol was unavailable. As Carol and Dawn will not be nominating next year, I wish them both every success for the future.

Helen Bernardin, our Minkey & Modified Convenor, will also be leaving us. Helen and her committee of Di Marsden, Ros Costello and Marilyn Oliver have worked tirelessly all year, looking after our "nursery" group at Rasey Park - and what a great job they've done! Helen will be sadly missed as she has worked so hard since becoming convenor and must be congratulated on how well Minkey and Modified hockey has progressed and prospered under her guidance. Thank you Helen, you have been an absolute treasure, not just at Rasey Park, but as a selector, coach and a very hard working Management member but most of all as a very dear friend. Bye Helen and Good Luck !

Ros Costello will also be retiring from Management and not nominating next year. Ros has done a great job looking after the canteen at Rasey Park, ordering stock and delivering it each week. Thank you Ros for your help and for the valuable contribution you have made to Junior Hockey, during your time on Management.

Julie Moates and Raelyn Toghill have worked hard all season, Julie taking care of all the Rep uniforms and equipment and Raelyn has spent many hours each week checking birth certificates, registrations, game cards, points etc., Thank you both for your dedication to you particular areas, you both did a great job.

Charlene Michaels did a marvellous job controlling QE II fixtures, timing games, watering the field and filling in when umpires did not arrive for games. Thank you Charlene for a job very well done.

Our two shop convenors deserve a very special vote of thanks for all their hours of work in the pro-shop, not to mention all the hours spent ordering stock, checking it and then pricing it. They have played a very big part in our association's very healthy bank balance. Thank you ladies - you have been great.

Thank you to the Grounds Committee for all their hard work looking after the fields and keeping them in tip top condition.

Thank you to the very hard working Kathy and David Keneally and the canteen staff who work tirelessly every week end, to provide us with such delicious food.

My deepest sympathy to those members who have suffered the sadness of a bereavement during the past year. Having just lost my own mother I deeply sympathise with you.

Maureen Fleming has done a wonderful job as our Treasurer, our bank balance has never looked healthier thanks to her expert handling of our finances. In 1984 the Juniors finished the year with a bank balance of \$1504.97. Compare this with what we have finished with in 1992 and you will see how well our successive treasurers have looked after our interests. Maureen has not only been a great Treasurer, but I consider her a very good friend and I have thoroughly enjoyed working with her for the last three years. Thank you Maureen.

Last, but not least, I would like to thank Marilyn Chatfield, our President, who has worked tirelessly for the benefit of the juniors since she became President three years ago. Marilyn has been great to work with and her knowledge of all facets of the game of hockey has never failed to amaze me. I have learned a great deal from her over the last three years and thank her for her patience, her loyalty and her friendship. Thank you Marilyn you will always be tops in my book.

After six years as your secretary I do have some regrets at leaving, but new administrators mean new ideas, and we must always be looking to the future. I have received much in my years with you - co-operation, friendship, kindness, loyalty and companionship for which I thank you all. I have thoroughly enjoyed being secretary and a manageress of seven Brisbane Representative teams. I have had the pleasure of seeing some of the girls I took to Ipswich as shy under twelves, develop into very talented under eighteen players and I will continue to follow their careers with a great deal of interest and pride. In passing the position of Secretary to Tracey O'Connor our present Time/Umpires Steward, I know she will receive as much satisfaction and pleasure as I have, and I wish her every success. Should she require my assistance at any time I will only be a phone call away.

To all the clubs and to everyone who has assisted me during my years as Junior Secretary, **THANK YOU**. To the incoming Executive of both the Senior and Junior Committees, I wish you every success.

Goodbye and God Bless.

Marian Brown
Secretary.

JUNIOR SUB ASSOCIATION TREASURER'S REPORT

The Committee met in November to draw up a budget for the 1992 season. We kept pretty much to budget, although the Hockey shop profit was underestimated. We have ended the season in a strong financial position.

Our main source of income was again the hockey shop. The income from the shop was \$20951.10 (Just Hockey commission \$16436.56 and profit on sales of incidentals supplied by BWA Juniors \$4514.54). To Margaret Coughlan and Noala Gordon go my sincere thanks for all the long hours and hard work put in to make the shop such a success.

To all the players who supported the hockey shop go my thanks and hope that they continue their support in the future.

The Rasey Park canteen was once again a great success this year making a profit of \$1233.94. MY thanks go to Ros Costello and Mrs Irene Stevens (Helen Bernardin's Mum) for organising the canteen. We purchased a microwave oven for the canteen this year.

The BWA subsidy of \$5500.00 this year was used for the Junior Development Officer. The subsidy for officials and Rep players of \$3086.10 came from last years shop profits.

Fines are slightly down on last season, but are still too high. Once again we would like to see the fines greatly reduced next season.

Financially 1992 was very good allowing us to invest money for next seasons subsidies for our representative teams and officials and our Junior Development Officer.

MY best wishes to Mrs Elaine Green on her retirement from Downey Park and thank you for all the time you have given to the juniors.

My thanks to the members of our Management Committee and Club Officials for their help and co-operation this year.

Finally to Marian Brown, Helen Bernardin, Carol Richards and Dawn Winter who are not nominating again next season thank you for your help and friendship over the last few years.

Maureen Fleming
HON. TREASURER

HONORARY TREASURER

MINKEY and MODIFIED REPORT

The format of the Minkey and Modified season varied slightly with extending fixtures to the 29th August and separating the Minkey and Modified Skills Tests, to separate days and having presentations after each fixture game on August 29th.

This year has been successful and I'd like to thank the Committee: Trish Hawgood, Marilyn Oliver & Dianne Marsden for all their time and effort during the season.

Thanks also to Roslyn Costello for organising the canteen each week. This season we had 19 Modified teams and 14 Minkey teams, Minkey played at either 9, 10 or 11am and the Modified teams played at the same time slot each week as Kookaburras, Koalas or Kangaroos.

During the season, Sue McLatchey held coaching sessions before each game and was supported by all clubs. Minkey and Modified Skills Days were very successful with 5 Red Ribbons, 73 Blue Ribbons and 155 Green Ribbons being awarded. On Presentation day the ribbons were handed out by Queensland Representative Players : Sue Woodhouse, Nikki Taylor and Pia Francini while a representative from Hungry Jacks, Algester was also in attendance.

Thank you to all clubs for their co-operation and support which lead to a successful season.

I personally have thoroughly enjoyed the past three years and wish the next committee all the best for the future in this growing area of our sport.

Helen Bernardin

MINKEY/MODIFIED STATISTICS

Minkey

Total : 14 teams, an increase of 5 teams from 1991.

Clubs : Bellbowrie(1), City United(2), Commercial(2), Easts(1)
Logan(1), Norths(1), Pine Hills(1), St Andrews(2),
Valley(3).

Modified

Total : 19 teams, a decrease of 2 teams from 1991.

Kangaroos: Valley, St Andrews, South West, Pine Rivers,
Commercial, City United, Bellbowrie.

Kookaburras: Commercial, Bulimba, Valley, Norths, Easts,
South West.

Koalas: St Andrews, Commercial, Redcliffe, Pine Rivers,
Pine Hills, Easts.

REGIONAL JUNIOR DEVELOPMENT OFFICER

Since beginning in April, the need for a Junior Development person for women in the Brisbane region has become increasingly obvious.

Although it's been a relatively slow start due to financial limitations, I have touched on many areas already. Full-time attention to these areas and others in 1993 will enable me to have a greater impact.

So far, an example of the areas I've been working on includes Minkey and Modified Coach Development; Development of Hockey in Schools; Information Kits for Schools; the CAPS program; Coaching Clinics for players; the Train-on Squad; the Coach Encouragement Award Scheme; Level 1 NCAS Course; Shopping Centre Promotion through the "Change for Kids" program; and Resource Development.

I'm aiming to have completed as much background administration work as possible by the end of this year, to enable as much dedication to 'hands-on' development work as possible in 1993.

I would like to thank BWA for the opportunity to fill this role and special thanks to Marilyn Chatfield for her time and assistance with the program development.

I'm looking forward to a successful (& no doubt eventful) 1993

Sue McLatchey.

HOCKEY PRO-SHOP REPORT

We will start this report by borrowing the 1991 Convenor - Di Potter's opening line - "Little did I (we) realise the task that lay ahead of me (us) when I (we) offered to supervise the "Hockey Shop"!"

The format for the Hockey Shop for 1992 was again greatly changed with the shop area being extended and made self-service. Paper work at point-of-sale caused more headaches than one could have imagined (the paper work laid down by "Just Hockey" being changed twice in the first two weeks of the Season.)

What a start to the season ! Plans had been made to open the "Pro Shop" pre-season. It was anticipated that the shop would be opened on Thursday 20.2.92 but due to lack of supply of stock from Just Hockey this was an impossibility. The elements then took a hand. We were flooded out twice and had to clean up each time and start again. The shop finally opened pre-season on Thursday 12.3.92 between the hours of 4-6pm, but with very limited support. More publicity to all Clubs is imperative, possibly with BWAH advising Clubs in January correspondence. This could be followed up with leaflets handed out personally at club training sessions (including Mens).

Once again the Shop was predominantly stocked by Just Hockey with the Junior Association controlling it. At times problems arose with delays in stock of equipment from our main suppliers and this is an area which **MUST** be improved on. BWAH Juniors made it possible for us to procure supplementary items for sale.

During the season we traded on 24 Saturdays, as well as 8 Sundays which included fixtures, grading games, Representative team selection trials, Southern Cross Carnivals and five days during the State Under 13 Championship. At times it was necessary to restrict entry to the shop until some customers departed as it was impossible to move inside. But on the positive side, the amount of money banked from these 'special occasions' was nothing short of amazing. We must congratulate the players from the Junior Association for their strong patronage to the shop. It is hoped that the Senior players will show greater interest in future seasons, knowing what is available from the shop.

We also had the unfortunate experience of two attempted break-ins plus one breaking, entering and stealing from the shop (the latter occurring during the night prior to opening day of the State Under 13 Championships). However, with the assistance of our Junior Committee and the Grounds Committee we were back in operation with a minimum amount of fuss.

There are people we wish to sincerely thank for their help and support. The advice and assistance to customers from our resident "Goalie" expert was invaluable in this very specialised area of the shop. To Robyn Sneddon who once again contributed her "stick expertise"; to the various members of the Grounds Committee, in particular Ross Mitchell and John Bigg for their expert 'maintenance and repair' work; to all Clubs who provided helpers each week; to the St Andrews (Junior) Mums who once again assisted re-stocking the shop; to the Committee of the Junior Association and in particular the Treasurer, Maureen Fleming who patiently handled the money matters; to Kathy Duggan from 'the Office' for her assistance; and to our very understanding ?? families.

In conclusion, the Hockey Shop provided us with fun and laughter, heartache and tears, a lot of endless hours of hard work both inside and outside of trading hours, but it was all worthwhile when we see the amount of money the Junior Association has received from this business venture. We wish to congratulate all hockey players and their families for their tremendous support. Commission paid by Just Hockey to the BWA Junior Association has reduced their financial burdens, enabling them to fulfil many hockey projects which will benefit ALL players.

Yours in Hockey,

Noala Gordon & Margaret Coughlan
(Co-Convenors)

HOCKEY SHOP STOCKTAKE AS AT 12TH SEPTEMBER 1992

1	Classico Indoor/goalie stick

MARGARET COUGHLAN
CONVENOR

JUNIOR UMPIRES BOARD

The Junior Umpires Panel in 1992 boasted a highly qualified group of badged umpires. The availability of these people ensured maximum benefit to the Junior Association with a record number of girls receiving Junior Umpire Badges. With many others receiving guidance and encouragement to continue in their quest to become qualified umpires. We congratulate the girls on their commitment and enthusiasm and hope that the initiative shown this year will grow, resulting in the best umpires possible officiating at all games in the future.

Thank you to the hard working committee.

Kim Thomasson
Convenor
